Prorated rent of \$ 833.33 is due for the remainder of [check one]: 1st month or 2nd month, on _____.

Otherwise, you must pay your rent on or before the 3rd day of each month (due date) with no grace period. Cash is unacceptable without our prior written permission. You must not withhold or offset rent unless authorized by statute. We may, at our option, require at any time that you pay all rent and other sums in cash, certified or cashier's check, money order, or one monthly check rather than multiple checks. At our discretion, we may convert any and all checks via the Automated Clearing House (ACH) system for the purposes of collecting payment. Rent is not considered accepted, if the payment/ACH is rejected, does not clear, or is stopped for any reason. If you don't pay all rent on or before the expiration of _____ days after the due date, you'll be delinquent. (If the previous field is blank, then your rent will be delinquent if it is not paid in full by the expiration of one business day after the due date.) You will be obligated to pay to us a fee of \$ 75.00 if you fail to pay any amount when due under this Contract. You agree that this amount is the result of our reasonable endeavor to approximate actual losses (administrative wages, interest on late rent accruing) caused by the late payment of rent. The Parties agree that it is impracticable and extremely difficult to affix the actual damage caused by payment of late rent. You'll also pay a charge of \$25.00 for each returned check or rejected electronic payment. For additional returned checks you'll pay a charge of \$35.00. If you are delinquent, all remedies under this Lease Contract will be authorized. If you are delinquent, all remedies under this Lease Contract and California law will be authorized. A negative credit report reflecting on your credit record may be submitted to a credit reporting agency if you fail to fulfill your credit obligations under this Lease. All payment obligations under this Lease Contract shall constitute rent under this Lease Contract.

7. UTILITIES. We'll pay for the following items, if checked:

- water; gas; electricity;

Cable channels that are provided may be changed during the Lease Contract term if the change applies to all residents. Utilities may be used only for normal household purposes and must not be wasted. If your electricity is ever interrupted, you must use only battery-powered lighting. If any utilities are submetered for the dwelling unit, or prorated by an allocation formula, we will attach an addendum to this Lease Contract in compliance with state agency rules or city ordinance.

8. INSURANCE. Our insurance does not cover the loss of your personal possessions or personal injury and it is recommended that you consider purchasing renter's insurance and flood insurance to insure your possessions from loss due to fire, flood, or other risk of loss. We are not responsible to any resident, guest, or occupant for damage or loss of personal property or personal injury from (including but not limited to) fire, smoke, rain, flood, water and pipe leaks, hail, ice, snow, lightning, wind, explosions, earthquake, interruption of utilities, theft, hurricane, negligence of other residents, occupants, or invited/uninvited guests or vandalism unless otherwise required by law.

In addition, we urge all residents, and particularly those residing in coastal areas, areas near rivers, and areas prone to flooding, to obtain flood insurance. Renter's insurance may not cover damage to your property due to flooding. A flood insurance resource which may be available includes the National Flood Insurance Program managed by the Federal Emergency Management Agency (FEMA).

We require do not require you to get your own insurance for losses to your personal property or injuries due to theft, fire, water damage, pipe leaks and the like.

If renter's insurance is required, you shall maintain at all times during the Term of this Lease, at your sole expense, a renter's insurance policy, or its equivalent, issued by a licensed insurance company in a minimum policy coverage amount of \$ 100000.00, and you shall provide us with proof of such insurance to our satisfaction. The dwelling is is not located in a special flood hazard area or an area of potential flooding. We have knowledge that the dwelling is in a special flood hazard area if: (1) we received written notice from any public agency, or, (2) our mortgage holder requires us to carry flood insurance, or (3) we currently carry flood insurance. You may obtain more information about hazards, including flood hazards, that may affect your dwelling from the Internet Web site of the Office of Emergency Services (<http://www.caloes.ca.gov/>). The Internet Web site address for the MyHazards tool is <http://myhazards.caloes.ca.gov/>. Our insurance does not cover the loss of the tenant's personal possessions. We recommend that you consider purchasing renter's insurance and flood insurance to insure your possessions from loss due to fire, flood, or other risk of loss. We are not required to provide additional information concerning the flood hazards to the property. The information provided herein is deemed adequate to inform you.

9. LOCKS AND LATCHES. We will provide an operable deadbolt lock on each main swinging entry door of the dwelling in compliance with California Civil Code, Section 1941.3, subject to statutory exceptions. We will provide window security or locking devices as required by that statute. Keyed lock(s) will be rekeyed after the prior resident moves out. The rekeying will be done before you move in. You must notify us immediately of any inoperable door, window, latch, or lock. You may at any time ask us to change or rekey locks or latches during the Lease Term. We must comply with those requests, but you must pay for them, unless otherwise provided by law.

Payment for Rekeying, Repairs, Etc. Unless otherwise required by law, you must pay for all repairs or replacements arising from misuse or damage to devices by you or your household members, occupants, or guests during your occupancy. You may be required to pay in advance if we notify you within a reasonable time after your request that you are more than 30 days delinquent in reimbursing us for repairing or replacing a device which was misused or damaged by you, your guest or an occupant; or if you have requested that we repair or change or rekey the same device during the 30 days preceding your request and we have complied with your request. Otherwise, you must pay immediately after the work is completed.

Special Provisions and "What If" Clauses

10. SPECIAL PROVISIONS. The following special provisions and any addenda or written rules furnished to you at or before signing will become a part of this Lease Contract and will supersede any conflicting provisions of this printed Lease Contract form.

See Additional Special Provisions

See any additional special provisions.

11. EARLY MOVE-OUT. If you move out early without our written consent or without paying us a negotiated lease termination fee, you will be liable to us for actual damages, including liability for rents during the entire remainder of your lease term (less mitigation) and for the cost of finding and processing a replacement resident, paying locator service fees, cleaning, make-ready costs, etc. In addition to any other rights and remedies allowed by law, we shall have the remedy set forth in Civil Code Section 1951.2.

12. REIMBURSEMENT. You must promptly reimburse us for loss, damage, government fines, or cost of repairs or service in the Community due to a violation of the Lease Contract or rules, improper

use, or negligence by you or your guests or occupants. **Unless the damage or wastewater stoppage is due to our negligence, we're not liable for—and you must pay for—repairs, replacement costs, and damage to the following that result from you or your invitees, guests, or occupants' negligence or intentional acts: (1) damage to doors, windows, or screens; (2) damage from windows or doors left open; and (3) damage from wastewater stoppages caused by improper objects in lines exclusively serving your dwelling.**

We may require payment at any time, including advance payment of repairs for which you're liable. Delay in demanding sums you owe is not a waiver.

13. PROPERTY LEFT IN DWELLING.

Storage After Surrender, Abandonment, or Eviction. We may remove and/or store all property remaining in the dwelling or in common areas (including any vehicles you or any occupant or guest owns or uses) if you are judicially evicted or if you surrender or abandon the dwelling (see definitions in paragraph 53 (Deposit Return, Surrender, and Abandonment)). We will use reasonable care in storing the property; but we're not liable for casualty loss, damage, or theft unless caused by deliberate or negligent act on our part. We may store the property either in the dwelling or in another safe place until (1) we release the personal property described in the notice to you or other persons we reasonably believe to be the owner of the property and we shall not require you to pay the cost of

storage if its owner reclaims the property within two days of you vacating the dwelling, (2) charges (and actual advertising/sale expenses) are paid in full after 2 days, or (3) 18 days have elapsed after "Notice of Right to Reclaim Abandoned Property" has been mailed (or 15 days after it is personally served) by us, as provided below as otherwise required by law.

Notice. The "Notice of Right to Reclaim Abandoned Property" must be in substantial compliance with the statutory form in Section 1984 or 1985, California Civil Code. The notice must be given by personal delivery to you or via regular U.S. mail to you at your last known address or to the person believed by us to be the owner.

Redemption. If we've stored property as provided above, you or the person believed by us to be the owner may redeem the property by paying all storage charges (and any actual advertising/sale expenses) on or before the expiration of the Notice of Right to Reclaim Abandoned Property as required by law. The charges for storage will be the fair rental value of the rental space reasonably required for the storage. We may return redeemed property at the place of storage, the management office, or the dwelling (at our option). We may require payment by cash, money order, or certified check. We may also send a copy to your email address.

Other disposition or Sale. If all the property being stored is believed by us to be worth less than \$700 and it has not been redeemed, we may keep, throw away, or give away the property after the 18th day following the giving of the "Notice of Right to Reclaim Abandoned Property" above. If all of the property is believed by us to be worth \$700 or more, we may (1) release the personal property described in the notice to the former tenant and shall not require the former tenant to pay the cost of storage if the property remained in the dwelling and the former tenant or other person reasonably believed by the landlord to be its owner reclaims the property within two days of vacating the dwelling, (2) we release the property to the person believed by us to be the owner, if all storage charges (and actual advertising/sale expenses) are paid in full after 2 days of storage, or (3) sell the property at public sale in compliance with the procedures of Section 1988 of the California Civil Code. Sale may be subject to any third-party ownership or lien claims, must be to the highest cash bidder, and may be in bulk, in batches, or item-by-item. You and the landlord may bid at the sale. Excess sums will be paid over to the county in accordance with statute.

State law permits former tenants to reclaim abandoned personal property left at the former address of the tenant, subject to certain conditions. You may or may not be able to reclaim property without incurring additional costs, depending on the cost of storing the property and the length of time before it is reclaimed. In general, these costs will be lower the sooner you contact your former landlord after being notified that property belonging to you was left behind after you moved out.

14. FAILING TO PAY FIRST MONTH'S RENT. If you don't pay the first month's rent when or before the Lease Contract begins, we may end your right of occupancy and recover damages, including future rents (less any mitigation), reletting charges, attorney's fees (consistent with paragraph 32 (Default by Resident)), court costs, and other lawful charges. Our rights and remedies under paragraphs 11 (Early Move-Out) and 32 (Default by Resident) apply to the failure to pay first month's rent upon execution of the Lease Contract.

15. RENT INCREASES AND LEASE CONTRACT CHANGES. No rent increases or Lease Contract changes are allowed before the initial Lease Contract term ends, except for changes allowed by any special provisions in paragraph 10 (Special Provisions), by a written addendum or amendment signed by you and us, or by reasonable changes of dwelling rules allowed under paragraph 19 (Community Policies or Rules), or as otherwise allowed by law. We will give you a minimum of 30 days notice if you are on a month to month tenancy before we increase the rent (a maximum of 10% increase over the previous 12 months). We will give you at least 90 days notice during a month to month tenancy before we raise the rent more than 10% (over the previous 12 months), unless the increase is caused by a change in your income or family composition as determined by a recertification required by statute or regulation.

16. DELAY OF OCCUPANCY. If occupancy is or will be delayed for construction, repairs, cleaning, or a previous resident's holding over, we're not responsible for the delay. The Lease Contract will remain in force subject to: (1) abatement of rent on a daily basis during delay; and (2) your right to terminate as set forth below. Any termination notice must be in writing. After termination, you are entitled only to refund of deposit(s) and any rent paid. Rent abatement or lease termination does not apply if delay is for cleaning or repairs that don't prevent you from occupying the dwelling.

If there is a delay and we haven't given notice of delay as set forth immediately below, you may terminate up to the date when the dwelling is ready for occupancy, but not later.

(1) If we give written notice to any of you when or after the Lease Contract begins—and the notice states that occupancy has been delayed because of construction or a previous resident's holding over, and that the dwelling will be ready on a specific date—you may terminate the Lease Contract within 3 days of your receiving the notice, but not later.

(2) If we give written notice to any of you before the beginning of the lease term and the notice states that construction delay is expected and that the dwelling will be ready for you to occupy on a specific date, you may terminate the Lease Contract within 7 days after any of you receives written notice, but not later. The readiness date is considered the new beginning date of the lease term for all purposes. This new date may not be moved to an earlier date unless we and you agree.

17. AD VALOREM TAXES/FEES AND CHARGES -

ADDITIONAL RENT. Unless otherwise prohibited by law, if, during the term of this Agreement, any locality, city, state, or Federal Government imposes upon Us, any fee, charge, or tax, which is related to or charged by the number of occupants, or by the apartment unit itself, such that we are charged a fee, charge, or tax, based upon your use or occupancy of the apartment, we may add this charge as Additional Rent, during the term of the Lease Contract, with thirty (30) days advance written notice to you. After this written notice (the amount or approximate amount of the charge, will be included), you agree to pay, as Additional Rent, the amount of the charge, tax or fee imposed upon us, as a result of your occupancy. As examples, these charges can include, but are not limited to: any charges we receive for any zoning violation, sound, noise or litter charge; any charge under any nuisance or chronic nuisance type statute, 911 or other life safety, per person, or per unit charge or tax and any utility bill unpaid by you, which is then assessed to us for payment.

18. DISCLOSURE RIGHTS. During your initial lease application and throughout your tenancy, we may obtain information on you, your rental history, or other personal information that may be provided to law-enforcement, government agencies, or other business entities for other business purposes, at a third party's request. Upon verifiable request from you, we will provide you with any personal information collected, or disclosed for business purposes relating to you, including but not limited to: categories and specific pieces of personal information collected, the categories of sources from which the personal information is collected, the business or commercial purpose for collecting or selling personal information, and the categories of third parties with which we share personal information.

(A) Should we choose to collect your personal information, we will, at or before the point of collection, inform you as to the categories of personal information to be collected and the purposes for which the categories of personal information will be used. Upon verifiable request from you, we will disclose and deliver the personal information the we collected about you, free of charge, within 45 days of the verified request.

(B) Upon verifiable request from you to delete personal information from our records, we will do so, and direct service providers to delete any personal information in their records, subject to certain exceptions.

(C) We will not sell personal information to third parties.

(D) We do not discriminate against any resident that exercises any of their rights under the California Consumer Privacy Act ("CCPA"). However, we may charge different prices or provide a different quality of goods or services if the difference is reasonably related to the value provided to you by your data. Further, we may offer financial incentives to you for the collection, sale, or deletion of personal information.

(E) The obligations imposed on us by the CCPA cannot, and will not, restrict our ability to comply with federal, state, or local laws; comply with civil, criminal, or regulatory inquiry, investigation, subpoena, or summons by with federal, state, or local authorities; cooperate with law enforcement relating to violations of with federal, state, or local laws; exercise legal claims; collect, use, retain, sell, or disclose aggregate or deidentified consumer information; or collect or sell personal information where that information is based on commercial conduct wholly outside of California.

Our rules and Community Policies are considered part of this Lease Contract and are incorporated herein as fully set out word for word. We may make reasonable changes to written rules, effective immediately, if they are distributed and applicable to all units in the Community and do not change dollar amounts on page 1 of this Lease Contract.

20. LIMITATIONS ON CONDUCT. The dwelling and other areas reserved for your private use must be kept clean and free of trash, garbage, and other debris. Trash must be disposed of at least weekly in appropriate receptacles in accordance with local ordinances. Doors, windows, and other passageways

Unless otherwise provided by law, conducting any kind of business in your dwelling or in the Community is prohibited—except that any lawful business conducted “at home” by computer, mail, or telephone is permissible if customers, clients, patients, or other business associates do not come to your dwelling for business purposes. You or your guests may not use the dwelling, or any other part of the property, to violate, or in violation of, any law, statute, or ordinance. We may regulate: (1) the use of patios, balconies, and porches; (2) the conduct of furniture movers and delivery persons; and (3) recreational activities in common areas. You’ll be liable to us for damage caused by you or any guests or occupants.

We may exclude from the Community guests or others who, in our judgment, have been violating the law, violating this Lease Contract or any dwelling rules, or disturbing other residents, neighbors, visitors, or owner representatives. We may also exclude from any outside area or common area a person who refuses to show photo identification or refuses to identify himself or herself as a resident, occupant, or guest of a specific resident in the Community.

23. RELEASE OF RESIDENT. Unless entitled to terminate this Lease Contract by law or pursuant to its terms, you won’t be released from this Lease Contract for any reason—including but not limited to voluntary or involuntary school withdrawal or transfer, voluntary or involuntary job transfer, marriage, separation, divorce, reconciliation, loss of co-residents, loss of employment, or death.

24. MILITARY PERSONNEL CLAUSE. All parties to this Lease Contract agree to comply with any federal law, including, but not limited to the Service Member’s Civil Relief Act, or any applicable state law(s), if you are seeking to terminate this Lease Contract and/or subsequent renewals and/or Lease Contract extensions under the rights granted by such laws.

25. RESIDENT SAFETY AND PROPERTY LOSS. You and all occupants and guests must exercise due care for your own and others’ safety and security, especially in the use of smoke and carbon monoxide detectors, keyed deadbolt locks, keyless bolting devices, window latches, and other access control devices.

Smoke and Carbon Monoxide Detectors. We’ll furnish smoke and carbon monoxide detectors only if required by statute, and we’ll test them and provide working batteries when you first take possession. After that, you must test the smoke detectors and the carbon monoxide detectors on a regular basis, and pay for and replace batteries as needed, unless the law provides otherwise. You must immediately report smoke and carbon monoxide detector malfunctions to us. Neither you nor others may disable neither the smoke nor the carbon monoxide detectors. If you disable or damage the smoke detector or carbon monoxide detector, or fail to replace a dead battery or report known

smoke and carbon monoxide detector malfunctions to us, and if your action or inaction causes loss, damage, or fines from fire, smoke, or water to us or others, you will be liable for such loss, damage, or fines.

Casualty Loss. We're not liable to any resident, guest, or occupant for personal injury or damage or loss of personal property from any cause, including but not limited to: fire, smoke, rain, flood, water and pipe leaks, hail, ice, snow, lightning, wind, explosions, earthquake, interruption of utilities, theft, or vandalism unless otherwise required by law. We are not responsible for the acceptance or receipt of any mail, messages, or packages left at the entrances to the dwelling or elsewhere on the property, or for any loss or damage to those items or any other material that is delivered to the property. We have no duty to remove any ice, sleet, or snow but may remove any amount with or without notice. During freezing weather, you must ensure that the temperature in the Dwelling is sufficient to make sure that the pipes do not freeze (the appropriate temperature will depend upon weather conditions and the size and layout of your unit). If the pipes freeze or any other damage is caused by your failure to properly maintain the heat in your dwelling, you'll be liable for damage to our and other's property. You agree to indemnify and hold us harmless from any claims, losses, or expenses (including attorney's fees) that we may incur as result of your negligence, or the negligence of your guests, invitees, or occupants in the dwelling, such as damage is caused by broken water pipes due to your violating these requirements. If you ask our representatives to perform services not contemplated in this Lease Contract, you will indemnify us and hold us harmless from all liability for those services.

Crime or Emergency. Dial 911 or immediately call local medical emergency, fire, or police personnel in case of accident, fire, smoke, or suspected criminal activity or other emergency involving imminent harm. You should then contact our representative. Unless otherwise provided by law, we're not liable to you or any guests or occupants for injury, damage, or loss to person or property caused by criminal conduct of other persons, including theft, burglary, assault, vandalism, or other crimes. If we provide any access control devices or security measures upon the property, they are not a guarantee to prevent crime or to reduce the risk of crime on the property. You agree that no access control or security measures can eliminate all crime and that you will not rely upon any provided access control or security measures as a warranty or guarantee of any kind. We're not responsible for obtaining criminal-history checks on any residents, occupants, guests, or contractors in the Community. If you or any occupant or guest is affected by a crime, you must make a written report to our representative and to the appropriate local law-enforcement agency. You must also furnish us with the law-enforcement agency's incident report number upon request.

Compliance with Statutory Obligations. You hereby understand and acknowledge that you have an affirmative duty to comply with the obligations set forth in California Civil Code Section 1941.2:

- (1) To keep the dwelling clean and sanitary as the condition of the dwelling permits.
- (2) To dispose all rubbish, garbage and other waste, in a clean and sanitary manner.
- (3) To properly use and operate all electrical, gas and plumbing fixtures and keep them as clean and sanitary as their condition permits.

- (5) To occupy the dwelling as his abode, utilizing portions thereof for living, sleeping, cooking or dining purposes only which were respectively designed or intended to be used for such occupancies.

26. CONDITION OF THE PREMISES AND ALTERATIONS.

You accept the dwelling, fixtures, and furniture as is, except for conditions causing the premises to be untenable under California Civil Code 1941. You'll be given an Inventory and Condition form on or before move-in. You must note on the form all defects or damage and return it to our representative. Otherwise, everything will be considered to be in a clean, safe, and good working condition.

You must use customary diligence in maintaining the dwelling and not damaging or littering the Community. Unless authorized by statute or by us in writing, you must not perform any repairs, painting, wallpapering, carpeting, electrical changes, or otherwise alter the dwelling or Community. No holes or stickers are allowed inside or outside the dwelling. But we'll permit a reasonable number of small nail holes for hanging pictures on sheetrock walls and in grooves of wood-paneled walls, unless our rules state otherwise. No water furniture, washing machines, additional phone or TV-cable outlets, alarm systems, or lock changes, additions, or rekeying is permitted unless permission is statutorily required or we've consented in writing. You may install a satellite dish or antenna provided you sign our satellite dish or antenna lease addendum which complies with reasonable restrictions allowed by federal law. You agree not to alter, damage, or remove our property, including alarm systems, smoke and carbon monoxide detectors, furniture, telephone and cable TV wiring, screens, locks, and access control devices. When you move in, we'll supply light bulbs for fixtures we furnish, including exterior fixtures operated from inside the dwelling; after that, you'll replace them at your expense with bulbs of the same type and wattage. Your improvements to the dwelling (whether or not we consent) become ours unless we agree otherwise in writing.

27. REQUESTS, REPAIRS, AND MALFUNCTIONS. IF YOU OR ANY OCCUPANT NEEDS TO SEND A NOTICE OR REQUEST—FOR EXAMPLE, FOR REPAIRS, INSTALLATIONS, SERVICES, OR SECURITY-RELATED MATTERS—it must be submitted through either the online tenant/maintenance portal, or signed and in writing and delivered to our designated representative. (except in case of fire, smoke, gas, explosion, overflowing sewage, uncontrollable running water, electrical shorts, or crime in progress). Our written notes on your oral request do not constitute a written request from you.

Our complying with or responding to any oral request regarding security or non-security matters doesn't waive the strict requirement for written notices under this Lease Contract. You must promptly notify us in writing of: water leaks; electrical problems; malfunctioning lights; broken or missing locks or latches; and other conditions that pose a hazard to property, health, or safety. We may change or install utility lines or equipment serving the dwelling if the work is done reasonably without substantially increasing your utility costs. We may turn off equipment and interrupt utilities as needed to avoid property damage or to perform work. If utilities malfunction or are damaged by fire, water, or similar cause, you must notify our representative immediately. Air conditioning problems are not emergencies. If air conditioning or other equipment malfunctions, you must notify our representative as soon as possible on a business day. We'll act with customary diligence to make repairs and reconnections. Rent will not abate in whole or in part.

If we believe that fire or catastrophic damage is substantial, or that performance of needed repairs poses a danger to you, we may terminate your tenancy within a reasonable time by giving you written notice. If your tenancy is so terminated, we'll refund prorated rent and all deposits, less lawful deductions.

28. ANIMALS. Unless otherwise provided under federal, state, or local law, no animals (including mammals, reptiles, birds, fish, rodents, and insects) are allowed, even temporarily, anywhere in the Dwelling Unit or Community unless we've so authorized in writing. You must remove an illegal or unauthorized animal within 24 hours of notice from us, or you will be considered in default of this Lease Contact. If we allow an animal as a pet, you must execute a separate animal addendum which may require additional deposits, rents, fees or other charges. An animal deposit is considered a general security deposit. We will authorize an assistance animal for a disabled person. When allowed by applicable laws, before we authorize an assistance animal, if the disability is not readily apparent, we may require a written statement from a qualified professional verifying the disability-related need for the assistance animal. If we authorize an assistance animal we may require you to execute a separate animal and/or assistance animal

addendum. Animal deposits, additional rents, fees or other charges will not be required for an assistance animal needed due to disability, including an emotional support or service animal, as authorized under federal, state, or local law. If you or any guest or occupant violates the animal restrictions (with or without your knowledge), you'll be subject to charges, damages, eviction, and other remedies provided in this Lease Contract. If an animal has been in the dwelling unit at any time during your term of occupancy (with or without our consent), we'll charge you for any necessary defleaing, deodorizing, and shampooing. You must not feed stray or wild animals.

29. WHEN WE MAY ENTER. Landlord will have the right to enter the premises as allowed by law. Law permits entry in case of emergency to make necessary or agreed repairs, decorations, alterations or improvements, supply necessary or agreed services, to test smoke and carbon monoxide detectors, or exhibit the dwelling unit to prospective or actual purchasers, mortgagees, tenants, workmen or contractors or to make an inspection pursuant to subdivision (f) of Civil Code §1950.5, when the Resident has abandoned or surrendered the premises and pursuant to court order. Landlord will serve Resident with written notice before entry unless:

- Entry is due to an emergency, surrender or abandonment of the unit, or
- Resident and Landlord agree orally to an entry to make agreed repairs or supply agreed services at an approximate day and time within one week of the oral agreement, or
- Resident is present and consents to entry at the time of entry, or
- To exhibit the unit to prospective or actual purchasers of the property, provided that Landlord has notified Resident in writing within 120 days of the oral notice that the property is for sale and that Resident may be contacted to allow for an inspection.
- Entry to inspect a tenant's dwelling unit shall comply with Section 1954. Entry to inspect any unit selected by the pest control operator and to conduct followup inspections of surrounding units until bed bugs are eliminated is a necessary service for the purpose of Section 1954. Tenants shall cooperate with the inspection to facilitate the detection and treatment of bed bugs, including providing requested information that is necessary to facilitate the detection and treatment of bed bugs to the pest control operator.

The landlord shall notify the tenants of those units inspected by the pest control operator pursuant to Section 1954.604 of the pest control operator's findings. The notification shall be in writing and made within two business days of receipt of the pest control operator's findings. For confirmed infestations in common areas, all tenants shall be provided notice of the pest control operator's findings.

30. JOINT AND SEVERAL RESPONSIBILITY. Each resident is jointly and severally liable for all Lease Contract obligations. If you or any guest or occupant violates the Lease Contract or rules, all residents are considered to have violated the Lease Contract. Our requests and notices (including sale notices) to any resident constitute notice to all residents and occupants. Notices and requests from any resident or occupant (including notices of lease termination, repair requests, and entry permissions) constitute notice from all residents. Security-deposit refunds and deduction itemizations of multiple residents will comply with paragraph 53 (Deposit Return, Surrender, and Abandonment).

31. ASSIGNMENT AND SUBLetting. You may not assign or sublet any portion or the entire dwelling, except to the extent required by law. We intend this to be a strict and absolute prohibition against subletting and assignment. We will not acknowledge, communicate, or accept rent from any person other than you. All guests, residents, occupants, subtenants, or assignees in the dwelling must comply with every term of this Lease. If you no longer permanently reside in the dwelling, we reserve the right to raise the rent and collect rent from any subsequent occupants. You must notify us in writing if you no longer permanently reside in the dwelling, or if it is no longer your principal place of occupancy. You may still be liable for the entire Lease Contract term if you move out early (see paragraph 48 Move-Out Notice).

Responsibilities of Owner and Resident

32. DEFAULT BY RESIDENT. You'll be in default if you or any guest or occupant violates any terms of this Lease Contract including but not limited to the following violations: (1) you don't pay rent or other amounts that you owe when due; (2) you or any guest or occupant violates the Community rules, or fire, safety, health, or criminal laws, regardless of whether arrest or conviction occurs; (3) you abandon the dwelling; (4) you give incorrect or false answers in a rental application; (5) you or any occupant is arrested, convicted, or given deferred adjudication for a felony offense involving actual or potential physical harm to a person, or involving possession, manufacture, or delivery of a controlled substance, marijuana, or drug paraphernalia under state statute; (6) any illegal drugs or paraphernalia are found in your dwelling; (7) you or any guest or occupant engages in any of the prohibited conduct described in paragraphs 20 (Limitations on Conduct) or 21 (Prohibited Conduct); or (8) you or any occupant, in bad faith, makes an invalid complaint to an official or employee of a utility company or the government. Any of the above defaults shall be a material breach of the Lease and shall be a just cause to evict you from the dwelling.

Eviction. If you default and if we wish to terminate your right of occupancy, we must give you a 3 Court day written notice to cure the default. If the default is incurable (i.e. assigning or subletting or committing waste upon the demised premises, contrary to the conditions or covenants of this Lease, or maintaining, committing, or permitting the maintenance or commission of a nuisance upon the demised premises, or using the premises for an unlawful purpose, or any other incurable default), we may end your right of occupancy by giving you a 3-day notice to vacate. Notice to cure and notice of occupancy termination must be delivered by either: (1) personal delivery to any resident; or (2) personal delivery at the dwelling to any occupant of suitable age and discretion and sending a copy through the regular U.S. mail addressed to the tenant at his or her place of residence; or (3) posting

on the outside of the dwelling's front door, accompanied by mailing the notice by regular U.S. mail. Termination of your possession rights or subsequent reletting doesn't release you from liability for future rent or other lease obligations.

Holdover. You or any occupant, invitee, or guest must not hold over beyond the date contained in your move-out notice or our notice to vacate (or beyond a different move-out date agreed to by the parties in writing). If a holdover occurs, then: (1) holdover rent is due in advance on a daily basis and may become delinquent without notice or demand; (2) you'll be liable to us for all rent for the full term of the previously signed Lease Contract of a new resident who can't occupy because of holdover (less any mitigation); and (3) at our option, we may extend the lease term—for up to one month from the date of notice of lease extension—by delivering written notice to you or your dwelling while you continue to hold over.

Other Remedies. If your rent is delinquent and we give you 3 days' prior written notice, we may report unpaid amounts to consumer reporting agencies. If you default and move out early, you will pay us any amounts stated to be rental discounts in paragraph 10 (Special Provisions), in addition to other sums due. Upon your default, we have all other legal remedies including lease termination, lockout under statute, and the remedy set forth in Civil Code § 1951.2. The prevailing party may recover from a non-prevailing party attorney's fees and any costs of litigation in an amount of no more than \$1800. Late charges are liquidated damages for our time, inconvenience, and overhead in collecting late rent (but are not for attorney's fees and litigation costs). All unpaid amounts bear 10% interest per year from due date. To the greatest extent allowed by law, you must pay all collection-agency fees if you fail to pay all sums due within 10 days after we mail you a letter demanding payment and stating that collection agency fees will be added if you don't pay all sums by that deadline. If you fail to fulfill your obligations under

this Lease, we intend to submit a negative report to a consumer reporting agency. The report will summarize your violations and be a possible reflection on your credit record.

Remedies Cumulative. Any remedies set forth herein shall be cumulative, in addition to, and not in limitation of, any other remedies available to Landlord under any applicable law.

General Clauses

33. ENTIRE AGREEMENT. Neither we nor any of our representatives have made any oral promises, representations, or agreements. This Lease Contract is the entire agreement between you and us.

34. NO AUTHORITY TO AMEND UNLESS IN WRITING. Our representatives (including management personnel, employees, and agents) have no authority to waive, amend, or terminate this Lease Contract or any part of it, unless in writing, and no authority to make promises, representations, or agreements that impose security duties or other obligations on us or our representatives unless in writing.

35. NO WAIVER. No action or omission of our representative will be considered a waiver of any subsequent violation, default, or time or place of performance. Our not enforcing or belatedly enforcing written-notice requirements, rental due dates, liens, or other rights isn't a waiver under any circumstances.

36. NOTICE. Except when notice or demand is required by statute, you waive any notice and demand for performance from us if you default. Written notice to or from our managers constitutes notice to or from us. Any person giving a notice under this Lease Contract should retain a copy of the memo or letter that was given. Fax signatures are binding. All notices must be signed.

37. MISCELLANEOUS.

- A. Exercising one remedy won't constitute an election or waiver of other remedies.
- B. Unless prohibited by law or the respective insurance policies, insurance subrogation is waived by all parties.
- C. All remedies are cumulative.
- D. No employee, agent, or management company is personally liable for any of our contractual, statutory, or other obligations merely by virtue of acting on our behalf.
- E. This Lease Contract binds subsequent owners. Neither an invalid clause nor the omission of initials on any page invalidates this Lease Contract.
- F. All provisions regarding our non-liability and non-duty apply to our employees, agents, and management companies.
- G. This Lease Contract is subordinate or superior to existing and future recorded mortgages or deeds of trust, at our lender's option.
- H. All lease obligations must be performed in the county where the Dwelling is located.
- I. Upon our request, resident shall provide us with a Tenant Estoppel Certificate.
- J. All discretionary rights reserved for us within this Lease Contract or any accompanying addenda are at our sole and absolute discretion.

38. REGISTERED SEX OFFENDER NOTICE. Pursuant to Section 290.46 of the Penal Code, information about specified registered sex offenders is made available to the public via an Internet web site maintained by the Department of Justice at www.meganslaw.ca.gov. Depending on an offender's criminal history, this information will include either the address at which the offender resides or the Community of residence and ZIP Code in which he or she resides.

39. PROPOSITION 65 WARNING. Proposition 65 protects California's drinking water sources from being contaminated with chemicals known to cause cancer, birth defects or other reproductive harm, and requires businesses to inform Californians about exposures to such chemicals. Please see the California Proposition 65 Addendum for warnings and additional information.

40. NOTICE OF NEGATIVE CREDIT REPORT. Pursuant to California Civil Code § 1785.26, you are hereby notified that a negative report reflecting on your credit record may be submitted to credit-reporting agencies if you fail to fulfill the terms of your obligation under this Lease Contract.

41. INDEMNIFICATION. Subject to applicable law, you shall indemnify and hold the owner, its agents and employees, harmless against all claims, expenses, damages, actions, and liabilities of whatever nature, including reasonable attorney's fees, arising from or relating to injury, loss or damage relating to your, your guest's or occupant's negligence, tenancy and/or your failure to comply with this Lease Contract.

42. CONTACTING YOU. By signing this lease, you are agreeing that we, our representative(s) or agent(s) may contact you. You agree that we may contact you using any contact information relating to your lease including any number (i) you have provided to us (ii) from which you called us, or (iii) which we obtained and through which we reasonably believe we can reach you. You agree we may use any means to contact you. This may include calls made to your cellular telephone using an automatic telephone dialing system, artificial or prerecorded voice messages, text messages, mail, e-mail, and calls to your phone or Voice over Internet Protocol (VoIP) service, or any other data or voice transmission technology. You agree to promptly notify us if you change any contact information you provide to us. You are responsible for any service provider charges as a result of us contacting you.

43. OBLIGATION TO VACATE. If we provide you with a notice to vacate, or if you provide us with a written notice to vacate or intent to move-out in accordance with paragraph 3 (Lease Term), and we accept such

written notice, then you are required to vacate the dwelling and remove all of your personal property therefrom at the expiration of the Lease term, or by the date set forth in the notice to vacate, whichever date is earlier, without further notice or demand from us.

44. FORCE MAJEURE. If we are prevented from completing performances of any obligations hereunder by an act of God, strikes, epidemics, war, acts of terrorism, riots, flood, fire, hurricane, tornado, sabotage, or other occurrence which is beyond the control of the parties, then we shall be excused from any further performance of obligations and undertakings hereunder, to the full extent allowed under applicable law.

Furthermore, if such an event damages the property to materially affect its habitability by some or all residents, we reserve the right to vacate any and all leases and you agree to excuse us from any further performance of obligations and undertakings hereunder, to the full extent allowed under applicable law.

45. POLITICAL SIGNS. You may post or display political signs relating to an election, legislative vote, initiative, referendum, recall process or issues that are before a public commission, public board or elected local body for a vote as allowed by law. Political signs may be posted in the window or on the door of the dwelling. All political signs must be six square feet or less in size and cannot be posted

or displayed in a manner that would violate a local, state or federal law. You must post and remove political signs in compliance with the time limits set by local ordinance. If no local ordinance exists, political signs may be posted no earlier than 90 days prior to the date of the election or vote and must be removed within 15 days of the date of the election or vote.

46. PAYMENTS. At our option and without notice, we may apply money received (other than sale proceeds under paragraph 13 (Property Left in Dwelling) or utility payments subject to governmental regulations) first to any of your unpaid obligations, then to current rent—regardless of notations on checks or money orders and regardless of when the obligations arose. All sums other than rent are due upon our demand. After the due date, we do not have to accept the rent or any other payments. We will accept rent payments from a third party, if the third-party signs an acknowledgment stating 1) the third party is not a current tenant of the property and 2) that acceptance does not establish a tenancy.

47. ASSOCIATION MEMBERSHIP. We represent that either: (1) we or; (2) the management company that represents us, is at the time of signing this Lease Contract or a renewal of this Lease Contract, a member of both the National Apartment Association and any affiliated state and local dwelling (multi-housing) associations for the area where the dwelling is located.

When Moving Out

48. MOVE-OUT NOTICE. Before moving out, either at the end of the lease term, any extension of the lease term, or prior to the end of the lease term, you must give our representative advance written notice of your intention to vacate as required by the paragraph 3 (Lease Term). The advance notice must be at least the number of days of notice required in paragraph 3 (Lease Terms). The move-out date in your notice [check one]: must be the last day of the month, or may be the exact day designated in your notice. If neither box is checked, the second checkbox applies. If you move out prior to the end of the lease term, your notice does not act as a release of liability for the full term of the Lease Contract. You will still be liable for the entire Lease Contract term if you move out early under paragraph 23 (Release of Resident), except if you are able to terminate your tenancy under the statutory rights explained under paragraphs 11 (Early Move-Out), 23 (Release of Resident), or under other laws providing a right to terminate this Lease Contract. All notices to vacate must be in writing and must provide the date by which you intend to vacate. If the notice does not comply with the time requirements of the Lease Terms paragraph, even if you move by the last date in the lease term, you will be responsible for an additional month's rent.

If you fail to vacate by the date set forth in your notice, you will automatically and immediately become a holdover tenant pursuant to state law, and we will have all remedies available under this Lease Contract and state law.

49. MOVE-OUT PROCEDURES. The move-out date can't be changed unless we and you both agree in writing. You won't move out before the lease term or renewal period ends unless all rent for the entire lease term or renewal period is paid in full. Early move-out may result in reletting charges and liability for future rent under paragraphs 11 (Early Move-Out) and 32 (Default by Resident). You're prohibited by law from applying any security deposit to rent. You won't stay beyond the date you are supposed to move out. You must give us and the U.S. Postal Service, in writing, each resident's forwarding address.

50. CLEANING. You must thoroughly clean the dwelling, including doors, windows, furniture, bathrooms, kitchen appliances, patios, balconies, garages, carports, and storage rooms. You must follow move-out cleaning instructions if they have been provided. If you don't clean adequately, you'll be liable for reasonable cleaning charges.

51. MOVE-OUT INSPECTION. California law provides that you have a right to a pre-move-out inspection and we will give notice of such right. Our representative has no authority to bind or limit us regarding deductions for repairs, damages, or charges. Any statements or estimates by us or our representative are subject to our correction, modification, or disapproval before final refunding or accounting.

52. SECURITY DEPOSIT DEDUCTIONS AND OTHER CHARGES.

You may not use the security deposit to pay any month's rent. We may withhold from the security deposit only such amounts as are reasonably necessary to remedy your defaults including, but not limited to, the following:

- a) Defaults in the payment of rent;
- b) To repair damage to the premises caused by you, exclusive of ordinary wear and tear, and/or;
- c) To clean the premises, if necessary, upon termination of the tenancy in order to return the unit to the same level of cleanliness it was in at the inception of the tenancy, and /or;
- d) To restore, replace, or return personal property or appurtenances, exclusive of ordinary wear and tear.

53. DEPOSIT RETURN, SURRENDER, AND ABANDONMENT. You are required to provide us written notice of your forwarding address, on or before termination of this Lease Contract. We'll mail you, to the forwarding address you provide, your security deposit refund (less lawful deductions) and an itemized accounting of any deductions within 21 days after surrender or abandonment, unless statutes provide otherwise. If you fail to provide us with your forwarding address in writing, as required above, we will process the unclaimed security deposit in accordance with state law.

Surrender. You have surrendered the dwelling when: (1) the move-out date has passed and no one

is living in the dwelling in our reasonable judgment; (2) all dwelling keys and access devices listed in paragraph 5 (Keys) have been turned in where rent is paid—whichever date occurs first, or (3) we reasonably believe that you have surrendered the dwelling to us.

Abandonment. You have abandoned the dwelling when we reasonably believe you have abandoned it. California law provides that abandonment will be found when all of the following have occurred: (1) your rent has been due and unpaid for at least 14 days; (2) we give you written notice of such belief and our intent to terminate the lease because of your delinquency; (3) our notice of abandonment follows substantially the form in California Code Section 1951.3(d); (4) such notice is given by (i) personal delivery to you, or (ii) first class mail, postage prepaid to your last known address; (5) the lease termination date in that notice is at least 15 days after personal delivery or 18 days after mailing; and (6) such 15 or 18 day notice period has expired without response from you as per California Code Section 1951.3. If we have reason to believe you won't receive the notice at your last known address, we will, at the same time we mail the above notice to your last known address, mail a copy to any other addresses that are known to us where you could reasonably be expected to receive the notice.

Surrender, abandonment, and judicial eviction end your right of possession for all purposes and gives us the immediate right to: clean up, make repairs in, and relet the dwelling; determine any security deposit deductions; and remove property left in the dwelling. Surrender, abandonment, and judicial eviction affect your rights to property left in the dwelling (paragraph 13 (Property Left In Dwelling)), but do not affect our mitigation obligations (paragraph 32 (Default by Resident)).

Severability, Originals and Attachments, and Signatures

54. SEVERABILITY. If any provision of this Lease Contract is invalid or unenforceable under applicable law, such provision shall be ineffective to the extent of such invalidity or unenforceability only without invalidating or otherwise affecting the remainder of this Lease Contract. The court shall interpret the lease and provisions herein in a manner such as to uphold the valid portions of this Lease Contract while preserving the intent of the parties.

55. ORIGINALS AND ATTACHMENTS. This Lease Contract has been executed in multiple originals, with original signatures. We will provide you with a copy of the Lease Contract. Your copy of the Lease Contract may be in paper format, in an electronic format at your request, or sent via e-mail if we have communicated by e-mail about this Lease. Our rules and community policies, if any, will be attached to the Lease Contract and provided to you at signing. When an Inventory and Condition form is completed, you should retain a copy, and we should retain a

copy. Any addenda or amendments you sign as a part of executing this Lease Contract are binding and hereby incorporated into and made part of the Lease Contract between you and us. This lease is the entire agreement between you and us. You acknowledge that you are NOT relying on any oral representations. A copy or scan of this Lease Contract and related addenda, amendments, and agreements may be used for any purpose and shall be treated as an original.

You are legally bound by this document.
Read it carefully before signing.

9. ANIMAL RULES. You are responsible for the animal's actions at all times. You agree to abide by these rules:

- The animal must not disturb the neighbors or other residents, regardless of whether the animal is inside or outside the dwelling.
- Dogs, cats, and support animals must be housebroken. All other animals must be caged at all times. No animal offspring are allowed.
- Inside, the animal may urinate or defecate *only* in these designated areas: _____
- Outside, the animal may urinate or defecate *only* in these designated areas: _____
- You are responsible for immediately cleaning up any messes, waste, or soiling caused by your animal in or around the dwelling.
- Animals may not be tied to any fixed object anywhere outside the dwelling units, except in fenced yards (if any) for your exclusive use.
- You must not let an animal other than support animals into swimming-pool areas, laundry rooms, offices, clubrooms, other recreational facilities, or other dwelling units.
- Your animal must be fed and watered inside the dwelling unit. Don't leave animal food or water outside the dwelling unit at any time, except in fenced yards (if any) for your exclusive use. In all cases, your animal must be fed and its food stored in a way that does not attract pets or other animals, or otherwise damages the premises.
- You must keep the animal on a leash and under your supervision when outside the dwelling or any private fenced area. We or our representative may pick up unleashed animals and/or report them to the proper authorities. We may impose reasonable charges for picking up and/or keeping unleashed animals.
- Unless we have designated a particular area in your dwelling unit or on the grounds for animal defecation and urination, you are prohibited from letting an animal defecate or urinate *anywhere* on our property. You must take the animal off our property for that purpose. If we allow animal defecation inside the dwelling unit in this Addendum, you must ensure that it's done in a litter box with a kitty litter-type mix. If the animal defecates anywhere on our property (including in a fenced yard for your exclusive use), you'll be responsible for immediately removing the waste and repairing any damage. Despite anything this Addendum says, you must comply with all local ordinances regarding animal defecation.

10. ADDITIONAL RULES. We have the right to make reasonable changes to the animal rules from time to time if we distribute a written copy of any changes to every resident who is allowed to have animals.

11. VIOLATION OF RULES. If you, your guest, or any occupant violates any rule or provision of this Animal Addendum (based upon our judgment) and we give you written notice, you must permanently remove the animal from the premises within the time period specified in our notice. We also have all other rights and remedies set forth in the Lease Contract, including damages, eviction, and attorney's fees to the extent allowed by law.

12. COMPLAINTS ABOUT ANIMAL. You must immediately and permanently remove the animal from the premises if we receive a reasonable complaint from a neighbor or other resident or if we, in our sole discretion, determine that the animal has disturbed neighbors or other residents.

13. LIABILITY FOR DAMAGES, INJURIES, CLEANING, ETC. You and all co-residents will be jointly and severally liable for the entire amount of all damages caused by the animal, including all cleaning, defleeling, and deodorizing. This provision applies to all parts of the dwelling unit, including carpets, doors, walls, drapes, wallpaper, windows, screens, furniture, appliances, as well as landscaping and other outside improvements. If items cannot be satisfactorily cleaned or repaired, you must pay for us to replace them completely. Payment for damages, repairs, cleaning, replacements, etc. are due immediately upon demand.

As owner of the animal, you're strictly liable for the entire amount of any injury that the animal causes to a person or anyone's property. You'll indemnify us for all costs of litigation and attorney's fees resulting from any such damage.

14. MOVE-OUT. When you move out, you'll pay for necessary defleeling, deodorizing, and shampooing to protect future residents from possible health hazards, regardless of how long the animal was there.

15. JOINT AND SEVERAL RESPONSIBILITY. Each resident who signed the Lease Contract must sign this Animal Addendum. You, your guests, and any occupants must follow all animal rules. Each resident is jointly and severally liable for damages and all other obligations set forth in this Animal Addendum, even if the resident does not own the animal.

16. GENERAL. You acknowledge that no other oral or written agreement exists regarding animals. Except for written rule changes under paragraph 10 above, our representative has no authority to modify this Animal Addendum or the animal rules except in writing. This Animal Addendum and the animal rules are considered part of the Lease Contract described above. It has been executed in multiple originals, one for you and one or more for us.

This is a binding legal document. Read it carefully before signing.

METERING/ALLOCATION METHOD KEY

- "1" - Sub-metering of all of your water/gas/electric use
"2" - Calculation of your total water use based on sub-metering of hot water
"3" - Calculation of your total water use based on sub-metering of cold water
"4" - Flat rate per month
"5" - Allocation based on the number of persons residing in your dwelling unit
"6" - Allocation based on the number of persons residing in your dwelling unit using a ratio occupancy formula
"7" - Allocation based on square footage of your dwelling unit
"8" - Allocation based on a combination of square footage of your dwelling unit and the number of persons residing in your dwelling unit
"9" - Allocation based on the number of bedrooms in your dwelling unit
"10" - Allocation based on a lawful formula not listed here

(Note: if method "10" is selected, a separate sheet will be attached describing the formula used)

2. Allocation formulas are used when the dwelling unit has no sub-meter. The formula may be based on factors such as, the interior square footage of the dwelling unit, number of bedrooms, number of occupants, number of bathrooms, presence of washing machine, and average water usage for that floor plan. The allocation is an estimate of usage by the resident. If an allocation method is used, we or our billing company will calculate your allocated share of the utilities and services provided and all costs in accordance with state and local statutes. Under any allocation method, Resident may be paying for part of the utility usage in common areas or in other residential units as well as administrative fees. Both Resident and Owner agree that using a calculation or allocation formula as a basis for estimating total utility consumption is fair and reasonable, while recognizing that the allocation method may or may not accurately reflect actual total utility consumption for Resident. Where lawful, we may change the above methods of determining your allocated share of utilities and services and all other billing methods, in our sole discretion, and after providing written notice to you. More detailed descriptions of billing methods, calculations and allocation formulas will be provided upon request.

If a flat fee method for trash or other utility service is used, Resident and Owner agree that the charges indicated in this Agreement (as may be amended with written notice as specified above) represent a fair and reasonable amount for the service(s) provided and that the amount billed is not based on a monthly per unit cost.

3. When billed by us directly or through our billing company, you must pay utility bills within _____ days of the date when the utility bill is issued at the place indicated on your bill, or the payment will be late. If a payment is late, you will be responsible for a late fee as indicated below. The late payment of a bill or failure to pay any utility bill is a material and substantial breach of the Lease and we will exercise all remedies available under the Lease, up to and including eviction for nonpayment. To the extent there are any new account, monthly administrative, late or final bill fees, you shall pay such fees as indicated below.

New Account Fee:	\$	0.00	(not to exceed \$	30.00)
Monthly Administrative Billing Fee:	\$	4.50	(not to exceed \$	8.00)
Late Fee:	\$	0.00	(not to exceed \$	0.00)
Final Bill Fee:	\$		(not to exceed \$	0.00)

If allowed by state law, we at our sole discretion may amend these fees, with written notice to you.

4. You will be charged for the full period of time that you were living in, occupying, or responsible for payment of rent or utility charges on the dwelling. If you breach the Lease, you will be responsible for utility charges for the time period you were obliged to pay the charges under the Lease, subject to our mitigation of damages. In the event you fail to timely establish utility services, we may charge you for any utility service billed to us for your dwelling and may charge a reasonable administration fee for billing for the utility service in the amount of \$ 35.00.

5. When you move out, you will receive a final bill which may be estimated based on your prior utility usage. This bill must be paid at the time you move out or it will be deducted from the security deposit.

6. We are not liable for any losses or damages you incur as a result of outages, interruptions, or fluctuations in utility services provided to the dwelling unless such loss or damage was the direct result of negligence by us or our employees. You release us from any and all such claims and waive any claims for offset or reduction of rent or diminished rental value of the dwelling due to such outages, interruptions, or fluctuations.

7. You agree not to tamper with, adjust, or disconnect any utility sub-metering system or device. Violation of this provision is a material breach of your Lease and may subject you to eviction or other remedies available to us under your Lease, this Utility Addendum and at law.

8. Where lawful, all utilities, charges and fees of any kind under this lease shall be considered additional rent, and if partial payments are accepted by the Owner, they will be allocated first to non-rent charges and to rent last.

9. You represent that all occupants that will be residing in the Unit are accurately identified in the Lease. You agree to promptly notify Owner of any change in such number of occupants.

10. You agree that you may, upon thirty (30) days prior written notice from Owner to you, begin receiving a bill for additional utilities and services, at which time such additional utilities and services shall for all purposes be included in the term Utilities.

11. This Addendum is designed for use in multiple jurisdictions, and no billing method, charge, or fee mentioned herein will be used in any jurisdiction where such use would be unlawful. If any provision of this addendum or the Lease is invalid or unenforceable under applicable law, such provision shall be ineffective to the extent of such invalidity or unenforceability only without invalidating or otherwise affecting the remainder of this addendum or the Lease. Except as specifically stated herein, all other terms and conditions of the Lease shall remain unchanged. In the event of any conflict between the terms of this Addendum and the terms of the Lease, the terms of this Addendum shall control.

12. The following special provisions and any addenda or written rules furnished to you at or before signing will become a part of this Utility Addendum and will supersede any conflicting provisions of this printed Utility Addendum and/or the Lease Contract.

Instead, the law simply requires that we take reasonable precautions to minimize the chance of damage or disturbance of those materials.

If we confirm the presence or infestation of bed bugs in our dwelling, we have the right to require you to temporarily vacate the dwelling and remove all furniture, clothing and personal belongings in order for us to perform pest control services. If required to vacate, for your health and safety, and the effectiveness of the treatment, you shall not reenter the dwelling until instructed to by the pest control operator. BED BUGS — A Guide for Rental Housing Residents

Bed bugs, with a typical lifespan of 6 to 12 months, are wingless, flat, broadly oval-shaped insects. Capable of reaching the size of an apple seed at full growth, bed bugs are distinguishable by their reddish-brown color, although after feeding on the blood of humans and warm-blooded animals—their sole food source—the bugs assume a distinctly blood-red hue until digestion is complete.

Bed bugs don't discriminate

Bed bugs increased presence across the United States in recent decades can be attributed largely to a surge in international travel and trade. It's no surprise then that bed bugs have been found time and time again to have taken up residence in some of the fanciest hotels and apartment buildings in some of the nation's most expensive neighborhoods.

Nonetheless, false claims that associate bed bugs presence with poor hygiene and uncleanliness have caused rental housing residents, out of shame, to avoid notifying owners of their presence. This serves only to enable the spread of bed bugs.

While bed bugs are, by their very nature, more attracted to clutter, they're certainly not discouraged by cleanliness.

Bottom line: bed bugs know no social and economic bounds; claims to the contrary are false.

Bed bugs don't transmit disease

There exists no scientific evidence that bed bugs transmit disease. In fact, federal agencies tasked with addressing pest of public health concern, namely the U.S. Environmental Protection Agency and the Centers for Disease Control and Prevention, have refused to elevate bed bugs to the threat level posed by disease transmitting pests. Again, claims associating bed bugs with disease are false.

Identifying bed bugs

Bed bugs can often be found in, around and between:

- Bedding
- Bed frames
- Mattress seams
- Upholstered furniture, especially under cushions and along seams
- Around, behind and under wood furniture, especially along areas where drawers slide
- Curtains and draperies
- Along window and door frames
- Ceiling and wall junctions
- Crown moldings
- Behind and around wall hangings and loose wallpaper
- Between carpeting and walls (carpet can be pulled away from the wall and tack strip)
- Cracks and crevices in walls and floors
- Inside electronic devices, such as smoke and carbon monoxide detectors

- Because bed bugs leave some persons with itchy welts strikingly similar to those caused by fleas and mosquitoes, the origination of such markings often go misdiagnosed. However, welts caused by bed bugs often times appear in succession and on exposed areas of skin, such as the face, neck and arms. In some cases, an individual may not experience any visible reaction resulting from direct contact with bed bugs.
- While bed bugs typically prefer to act at night, they often do not succeed in returning to their hiding spots without leaving traces of their presence through fecal markings of a red to dark brown color, visible on or near beds. Blood stains tend also to appear when the bugs have been squashed, usually by an unsuspecting host in their sleep. And, because they shed, it's not uncommon for skin casts to be left behind in areas typically frequented by bed bugs.

Preventing bed bug encounters when traveling

Because humans serve as bed bugs' main mode of transportation, it is extremely important to be mindful of bed bugs when away from home. Experts agree that the spread of bed bugs across all regions of the United States is largely attributed to an increase in international travel and trade. Travelers are therefore encouraged to take a few minutes upon arriving to their temporary destination to thoroughly inspect their accommodations, so as to ensure that any uninvited guests are detected before the decision is made to unpack.

Because bed bugs can easily travel from one room to another, it is also recommended that travelers thoroughly inspect their luggage and belongings for bed bugs before departing for home.

Bed bug do's and don'ts

- **Do not bring used furniture from unknown sources into your dwelling.** Countless bed bug infestations have stemmed directly from the introduction into a resident's unit of second-hand and abandoned furniture. Unless the determination can be made with absolute certainty that a piece of second-hand furniture is bed bug-free, residents should assume that the reason a seemingly nice looking leather couch, for example, is sitting curbside, waiting to be hauled off to the landfill, may very well be due to the fact that it's teeming with bed bugs.
- **Do address bed bug sightings immediately.** Rental housing residents who suspect the presence of bed bugs in their unit must immediately notify the owner.
- **Do not attempt to treat bed bug infestations.** Under no circumstance should you attempt to eradicate bed bugs. Health hazards associated with the misapplication of traditional and non-traditional, chemical-based insecticides and pesticides poses too great a risk to you and your neighbors.
- **Do comply with eradication protocol.** If the determination is made that your unit is indeed playing host to bed bugs, you must comply with the bed bug eradication protocol set forth by both your owner and their designated pest management company.

Information about Bed Bugs

Bed bug Appearance: Bed bugs have six legs. Adult bed bugs have flat bodies about 1/4 of an inch in length. Their color can vary from red and brown to copper colored. Young bed bugs are very small. Their bodies are about 1/16 of an inch in length. They have almost no color. When a bed bug feeds, its body swells, may lengthen, and becomes bright red, sometimes making it appear to be a different insect. Bed bugs do not fly. They can either crawl or be carried from place to place on objects, people, or animals. Bed bugs can be hard to find and identify because they are tiny and try to stay hidden.

Life Cycle and Reproduction: An average bed bug lives for about 10 months. Female bed bugs lay one to five eggs per day. Bed bugs grow to full adulthood in about 21 days. Bed bugs can survive for months without feeding.

Bed bug Bites: Because bed bugs usually feed at night, most people are bitten in their sleep and do not realize they were bitten. A person's reaction to insect bites is an immune response and so varies from person to person. Sometimes the red welts caused by the bites will not be noticed until many days after a person was bitten, if at all.

Common signs and symptoms of a possible bed bug infestation:

- Small red to reddish brown fecal spots on mattresses, box springs, bed frames, mattresses, linens, upholstery, or walls.
- Molted bed bug skins, white, sticky eggs, or empty eggshells.
- Very heavily infested areas may have a characteristically sweet odor.
- Red, itchy bite marks, especially on the legs, arms, and other body parts exposed while sleeping. However, some people do not show bed bug lesions on their bodies even though bed bugs may have fed on them.

For the purpose of this subparagraph, a person providing the written authorization who is required to be present on the private property at the time of the tow does not have to be physically present at the specified location of where the vehicle to be removed is located on the private property.

(B) The written authorization under subparagraph (A) shall include all of the following:

- (i) The make, model, vehicle identification number, and license plate number of the removed vehicle.
- (ii) The name, signature, job title, residential or business address and working telephone number of the person, described in subparagraph (A), authorizing the removal of the vehicle.
- (iii) The grounds for the removal of the vehicle.
- (iv) The time when the vehicle was first observed parked at the private property.
- (v) The time that authorization to tow the vehicle was given.

(E) (i) General authorization to remove or commence removal of a vehicle at the towing company's discretion shall not be delegated to a towing company or its affiliates except in the case of a vehicle unlawfully parked within 15 feet of a fire hydrant or in a fire lane, or in a manner which interferes with an entrance to, or exit from, the private property.

- (ii) In those cases in which general authorization is granted to a towing company or its affiliate to undertake the removal or commence the removal of a vehicle that is unlawfully parked within 15 feet of a fire hydrant or in a fire lane, or that interferes with an entrance to, or exit from, private property, the towing company and the property owner, or owner's agent, or person in lawful possession of the private property shall have a written agreement granting that general authorization.
- (2) If a towing company removes a vehicle under a general authorization described in subparagraph (E) of paragraph (1) and that vehicle is unlawfully parked within 15 feet of a fire hydrant or in a fire lane, or in a manner that interferes with an entrance to, or exit from, the private property, the towing company shall take, prior to the removal of that vehicle, a photograph of the vehicle that clearly indicates that parking violation. Prior to accepting payment, the towing company shall keep one copy of the photograph taken pursuant to this paragraph, and shall present that photograph and provide, without charge, a photocopy to the owner or an agent of the owner, when that person claims the vehicle.
- (3) A towing company shall maintain the original written authorization, or the general authorization described in subparagraph (E) of paragraph (1) and the photograph of the violation, required pursuant to this section, and any written requests from a tenant to the property owner or owner's agent required by subparagraph (A) of paragraph (1), for a period of three years and shall make them available for inspection and copying within 24 hours of a request without a warrant to law enforcement, the Attorney General, district attorney, or city attorney.
- (4) A person who violates this subdivision is guilty of a misdemeanor, punishable by a fine of not more than two thousand five hundred dollars (\$2,500), or by imprisonment in the county jail for not more than three months, or by both that fine and imprisonment.
- (5) A person who violates this subdivision is civilly liable to the owner of the vehicle or his or her agent for four times the amount of the towing and storage charges.
- (n) A vehicle removed from private property pursuant to this section shall be stored in a facility that meets all of the following requirements:
- (1) (A) Is located within a 10-mile radius of the property from where the vehicle was removed.
- (B) The 10-mile radius requirement of subparagraph (A) does not apply if a towing company has prior general written approval from the law enforcement agency that exercises primary jurisdiction in the city in which is located the private property from which the vehicle was removed, or if the private property is not located within a city, then the law enforcement agency that exercises primary jurisdiction in the county in which is located the private property.
- (2) (A) Remains open during normal business hours and releases vehicles after normal business hours.
- (B) A gate fee may be charged for releasing a vehicle after normal business hours, weekends, and state holidays. However, the maximum hourly charge for releasing a vehicle after normal business hours shall be one-half of the hourly tow rate charged for initially towing the vehicle, or less.
- (C) Notwithstanding any other provision of law and for purposes of this paragraph, "normal business hours" are Monday to Friday, inclusive, from 8 a.m. to 5 p.m., inclusive, except state holidays.
- (3) Has a public pay telephone in the office area that is open and accessible to the public.
- (o) (1) It is the intent of the Legislature in the adoption of subdivision (k) to assist vehicle owners or their agents by, among other things, allowing payment by credit cards for towing and storage services, thereby expediting the recovery of towed vehicles and concurrently promoting the safety and welfare of the public.

Information on Dampness and Mold for Renters in California

Main points:

- Living in damp or moldy buildings increases the chances of respiratory problems like asthma.
- The critical warning signs are visible mold, water damage, damp materials, or mold smell.
- Dampness is needed for mold to grow, so if you control the dampness, you control the mold.
- Dampness or mold indoors may make housing substandard, per the California Health & Safety Code.

Beginning January 1, 2022, residential landlords shall provide this booklet to prospective residential tenants prior to entering the rental or lease agreement, in accordance with the 2001 Toxic Mold Protection Act (HSC #26148). This booklet, which explains the potential health risks and health impacts that may result from exposure to mold, was produced by the California Department of Public Health (CDPH) in 2020, in both English and Spanish versions.

Health Problems from Damp or Moldy Buildings

Living or working in damp or moldy buildings increases the risk of many harmful health problems, including:

- asthma attacks in people who already have asthma
- a new asthma diagnosis
- respiratory infections, such as bronchitis
- breathing symptoms, such as hay fever, sneezing, stuffy nose, sore throat, wheezing, breathing difficulty, or cough
- eczema or skin rash

Mold can affect people differently. How much a person is affected depends on how sensitive they are and on how much they are exposed. Damp or moldy buildings are linked to health problems in people even if they do not have allergies.

Signs of Dampness or Mold

Signs of dampness or mold that may cause health problems include:

- **visible mold** (regardless of color), such as on walls or ceilings, behind furniture or appliances, under carpets, or even hidden in areas not seen in the occupied areas of homes
- **mold odor**, noticed as an earthy, musty, or moldy smell
- **visible water damage**, such as water-stains or discoloration on walls or ceilings, peeling or bubbled paint, warped floors, or rotting wood
- **damp or moist materials**, including condensation on windows or walls

Any one of these signs indicates increased risks to health, and the more that any of them are present, the greater the risk of health problems. Tests that identify the types of mold or the amounts of mold in buildings are not useful in telling us about the health risks. This is *why CDPH does not recommend testing for mold, such as measuring mold spores in the air.*

Causes of Building Dampness that Can Allow Mold to Grow

The dampness that is necessary for indoor mold to grow can come from either inside or outside a building.

Indoor sources include:

- leaking or burst water pipes, for instance under sinks inside walls
- not enough venting to the outside by open windows or exhaust fans in places where water is used or moisture is produced (for example, bathrooms, laundry areas, kitchens, and water heaters)
- condensation (water droplets) on cold surfaces, including windows

Outdoor sources include:

- water coming in through leaky roofs or poorly-sealed windows, or from flooding
- damp, exposed dirt in crawl spaces
- outdoor surfaces that slope and drain water toward a building, including from a downspout

Fixing Dampness and Mold Problems

The California Health & Safety Code (HSC §17920.3) says that when dampness or visible mold (or certain other conditions) in a home is a hazard to the health of occupants, the home is *substandard* and the property owner must fix the conditions. The Code excludes mold that is “minor and found on surfaces that accumulate moisture as part of their properly functioning and intended use.”

CDPH recommends fixing dampness and mold problems as follows:

- identifying and correcting the source of any water that may allow mold to grow
- rapid drying or removal of damp materials
- cleaning or removing mold and moldy materials as rapidly and safely as possible

Note: if a moldy area is simply bleached, cleaned, or painted over—without fixing the source of the dampness—the mold is likely to grow again.

Renters in California

The California Health & Safety Code requires property owners to provide a rental unit that is safe and healthy for the people living in it. Prospective renters should look for obvious conditions that show dampness or mold, and also less obvious signs like water leaks under the kitchen and bathroom sinks or moldy odor in a sealed-up home. Also look for conditions likely to cause future problems, like a bathroom that has no working vent fan or no window that opens, or a clothes dryer without an outside vent.

For renters who suspect there is dampness or mold:

1. Tell the property owner or manager. Early detection and correction of the dampness and mold problems can reduce the risks to your health and prevent the problem from getting worse.
2. If your property owner will not respond to your concerns in a reasonable amount of time, contact your local (city or county) code enforcement agency and ask for a code enforcement officer to inspect for violations. Many dampness or mold problems in rental homes are the responsibility of the property owner and must be addressed by them. However, a code enforcement officer may determine that dampness or mold in a building results from a tenant's actions or inactions – for instance, not using available bathroom ventilation during showers.
3. If the local inspector determines there is a violation, they can require the property owner to correct the problem.

Additional Resources

For general information on dampness and mold and a list of local code enforcement agencies, with a focus on dampness and mold, see www.cdph.ca.gov/iaq/mold. To see an animated video series, Mold in the Home, visit www.cdph.ca.gov/mold.

Property owners must provide a rental unit that is safe and healthy for the people living in it.

Tenants must notify property owners of any dampness or mold problems.

Are You Planning to Buy or Rent a Home Built Before 1978?

Did you know that many homes built before 1978 have **lead-based paint**? Lead from paint, chips, and dust can pose serious health hazards.

Read this entire brochure to learn:

- How lead gets into the body
- How lead affects health
- What you can do to protect your family
- Where to go for more information

Before renting or buying a pre-1978 home or apartment, federal law requires:

- Sellers must disclose known information on lead-based paint or lead-based paint hazards before selling a house.
- Real estate sales contracts must include a specific warning statement about lead-based paint. Buyers have up to 10 days to check for lead.
- Landlords must disclose known information on lead-based paint or lead-based paint hazards before leases take effect. Leases must include a specific warning statement about lead-based paint.

If undertaking renovations, repairs, or painting (RRP) projects in your pre-1978 home or apartment:

- Read EPA's pamphlet, *The Lead-Safe Certified Guide to Renovate Right*, to learn about the lead-safe work practices that contractors are required to follow when working in your home (see page 12).

March 2021

Simple Steps to Protect Your Family from Lead Hazards

If you think your home has lead-based paint:

- Don't try to remove lead-based paint yourself.
- Always keep painted surfaces in good condition to minimize deterioration.
- Get your home checked for lead hazards. Find a certified inspector or risk assessor at epa.gov/lead.
- Talk to your landlord about fixing surfaces with peeling or chipping paint.
- Regularly clean floors, window sills, and other surfaces.
- Take precautions to avoid exposure to lead dust when remodeling.
- When renovating, repairing, or painting, hire only EPA- or state-approved Lead-Safe certified renovation firms.
- Before buying, renting, or renovating your home, have it checked for lead-based paint.
- Consult your health care provider about testing your children for lead. Your pediatrician can check for lead with a simple blood test.
- Wash children's hands, bottles, pacifiers, and toys often.
- Make sure children eat healthy, low-fat foods high in iron, calcium, and vitamin C.
- Remove shoes or wipe soil off shoes before entering your house.

Lead Gets into the Body in Many Ways

Adults and children can get lead into their bodies if they:

- Breathe in lead dust (especially during activities such as renovations, repairs, or painting that disturb painted surfaces).
- Swallow lead dust that has settled on food, food preparation surfaces, and other places.
- Eat paint chips or soil that contains lead.

Lead is especially dangerous to children under the age of 6.

- At this age, children's brains and nervous systems are more sensitive to the damaging effects of lead.
- Children's growing bodies absorb more lead.
- Babies and young children often put their hands and other objects in their mouths. These objects can have lead dust on them.

Women of childbearing age should know that lead is dangerous to a developing fetus.

- Women with a high lead level in their system before or during pregnancy risk exposing the fetus to lead through the placenta during fetal development.

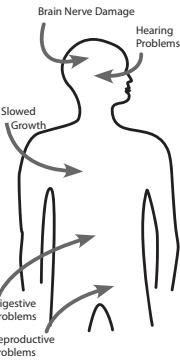

Health Effects of Lead

Lead affects the body in many ways. It is important to know that even exposure to low levels of lead can severely harm children.

In children, exposure to lead can cause:

- Nervous system and kidney damage
- Learning disabilities, attention-deficit disorder, and decreased intelligence
- Speech, language, and behavior problems
- Poor muscle coordination
- Decreased muscle and bone growth
- Hearing damage

While low-lead exposure is most common, exposure to high amounts of lead can have devastating effects on children, including seizures, unconsciousness, and in some cases, death.

Although children are especially susceptible to lead exposure, lead can be dangerous for adults, too.

In adults, exposure to lead can cause:

- Harm to a developing fetus
- Increased chance of high blood pressure during pregnancy
- Fertility problems (in men and women)
- High blood pressure
- Digestive problems
- Nerve disorders
- Memory and concentration problems
- Muscle and joint pain

Check Your Family for Lead

Get your children and home tested if you think your home has lead.

Children's blood lead levels tend to increase rapidly from 6 to 12 months of age, and tend to peak at 18 to 24 months of age.

Consult your doctor for advice on testing your children. A simple blood test can detect lead. Blood lead tests are usually recommended for:

- Children at ages 1 and 2
- Children or other family members who have been exposed to high levels of lead
- Children who should be tested under your state or local health screening plan

Your doctor can explain what the test results mean and if more testing will be needed.

Where Lead-Based Paint Is Found

In general, the older your home or childcare facility, the more likely it has lead-based paint.¹

Many homes, including private, federally-assisted, federally-owned housing, and childcare facilities built before 1978 have lead-based paint. In 1978, the federal government banned consumer uses of lead-containing paint.²

Learn how to determine if paint is lead-based paint on page 7.

Lead can be found:

- In homes and childcare facilities in the city, country, or suburbs,
- In private and public single-family homes and apartments,
- On surfaces inside and outside of the house, and
- In soil around a home. (Soil can pick up lead from exterior paint or other sources, such as past use of leaded gas in cars.)

Learn more about where lead is found at epa.gov/lead.

Identifying Lead-Based Paint and Lead-Based Paint Hazards

Deteriorated lead-based paint (peeling, chipping, chalking, cracking, or damaged paint) is a hazard and needs immediate attention. **Lead-based paint** may also be a hazard when found on surfaces that children can chew or that get a lot of wear and tear, such as:

- On windows and window sills
- Doors and door frames
- Stairs, railings, banisters, and porches

Lead-based paint is usually not a hazard if it is in good condition and if it is not on an impact or friction surface like a window.

Lead dust can form when lead-based paint is scraped, sanded, or heated. Lead dust also forms when painted surfaces containing lead bump or rub together. Lead paint chips and dust can get on surfaces and objects that people touch. Settled lead dust can reenter the air when the home is vacuumed or swept, or when people walk through it. EPA currently defines the following levels of lead in dust as hazardous:

- 10 micrograms per square foot ($\mu\text{g}/\text{ft}^2$) and higher for floors, including carpeted floors
- 100 $\mu\text{g}/\text{ft}^2$ and higher for interior window sills

Lead in soil can be a hazard when children play in bare soil or when people bring soil into the house on their shoes. EPA currently defines the following levels of lead in soil as hazardous:

- 400 parts per million (ppm) and higher in play areas of bare soil
- 1,200 ppm (average) and higher in bare soil in the remainder of the yard

Remember, lead from paint chips—which you can see—and lead dust—which you may not be able to see—both can be hazards.

The only way to find out if paint, dust, or soil lead hazards exist is to test for them. The next page describes how to do this.

¹ "Lead-based paint" is currently defined by the federal government as paint with lead levels greater than or equal to 1.0 milligram per square centimeter (mg/cm^2), or more than 0.5% by weight.

² "Lead-containing paint" is currently defined by the federal government as lead in new dried paint in excess of 90 parts per million (ppm) by weight.

Checking Your Home for Lead

You can get your home tested for lead in several different ways:

- A lead-based paint **inspection** tells you if your home has lead-based paint and where it is located. It won't tell you whether your home currently has lead hazards. A trained and certified testing professional, called a lead-based paint inspector, will conduct a paint inspection using methods, such as:
 - Portable x-ray fluorescence (XRF) machine
 - Lab tests of paint samples
- A **risk assessment** tells you if your home currently has any lead hazards from lead in paint, dust, or soil. It also tells you what actions to take to address any hazards. A trained and certified testing professional, called a risk assessor, will:
 - Sample paint that is deteriorated on doors, windows, floors, stairs, and walls
 - Sample dust near painted surfaces and sample bare soil in the yard
 - Get lab tests of paint, dust, and soil samples
- A combination inspection and risk assessment tells you if your home has any lead-based paint and if your home has any lead hazards, and where both are located.

Be sure to read the report provided to you after your inspection or risk assessment is completed, and ask questions about anything you do not understand.

Checking Your Home for Lead, continued

In preparing for renovation, repair, or painting work in a pre-1978 home, Lead-Safe Certified renovators (see page 12) may:

- Take paint chip samples to determine if lead-based paint is present in the area planned for renovation and send them to an EPA-recognized lead lab for analysis. In housing receiving federal assistance, the person collecting these samples must be a certified lead-based paint inspector or risk assessor
- Use EPA-recognized tests kits to determine if lead-based paint is absent (but not in housing receiving federal assistance)
- Presume that lead-based paint is present and use lead-safe work practices

There are state and federal programs in place to ensure that testing is done safely, reliably, and effectively. Contact your state or local agency for more information, visit epa.gov/lead, or call **1-800-424-LEAD (5323)** for a list of contacts in your area.³

³ Hearing- or speech-challenged individuals may access this number through TTY by calling the Federal Relay Service at 1-800-877-8339.

What You Can Do Now to Protect Your Family

If you suspect that your house has lead-based paint hazards, you can take some immediate steps to reduce your family's risk:

- If you rent, notify your landlord of peeling or chipping paint.
- Keep painted surfaces clean and free of dust. Clean floors, window frames, window sills, and other surfaces weekly. Use a mop or sponge with warm water and a general all-purpose cleaner. (Remember: never mix ammonia and bleach products together because they can form a dangerous gas.)
- Carefully clean up paint chips immediately without creating dust.
- Thoroughly rinse sponges and mop heads often during cleaning of dirty or dusty areas, and again afterward.
- Wash your hands and your children's hands often, especially before they eat and before nap time and bed time.
- Keep play areas clean. Wash bottles, pacifiers, toys, and stuffed animals regularly.
- Keep children from chewing window sills or other painted surfaces, or eating soil.
- When renovating, repairing, or painting, hire only EPA- or state-approved Lead-Safe Certified renovation firms (see page 12).
- Clean or remove shoes before entering your home to avoid tracking in lead from soil.
- Make sure children eat nutritious, low-fat meals high in iron, and calcium, such as spinach and dairy products. Children with good diets absorb less lead.

Reducing Lead Hazards

Disturbing lead-based paint or removing lead improperly can increase the hazard to your family by spreading even more lead dust around the house.

- In addition to day-to-day cleaning and good nutrition, you can **temporarily** reduce lead-based paint hazards by taking actions, such as repairing damaged painted surfaces and planting grass to cover lead-contaminated soil. These actions are not permanent solutions and will need ongoing attention.
- You can minimize exposure to lead when renovating, repairing, or painting by hiring an EPA- or state-certified renovator who is trained in the use of lead-safe work practices. If you are a do-it-yourselfer, learn how to use lead-safe work practices in your home.
- To remove lead hazards permanently, you should hire a certified lead abatement contractor. Abatement (or permanent hazard elimination) methods include removing, sealing, or enclosing lead-based paint with special materials. Just painting over the hazard with regular paint is not permanent control.

Always use a certified contractor who is trained to address lead hazards safely.

- Hire a Lead-Safe Certified firm (see page 12) to perform renovation, repair, or painting (RRP) projects that disturb painted surfaces.
- To correct lead hazards permanently, hire a certified lead abatement contractor. This will ensure your contractor knows how to work safely and has the proper equipment to clean up thoroughly.

Certified contractors will employ qualified workers and follow strict safety rules as set by their state or by the federal government.

Reducing Lead Hazards, continued

If your home has had lead abatement work done or if the housing is receiving federal assistance, once the work is completed, dust cleanup activities must be conducted until clearance testing indicates that lead dust levels are below the following levels:

- 10 micrograms per square foot ($\mu\text{g}/\text{ft}^2$) for floors, including carpeted floors
- 100 $\mu\text{g}/\text{ft}^2$ for interior windows sills
- 400 $\mu\text{g}/\text{ft}^2$ for window troughs

Abatements are designed to permanently eliminate lead-based paint hazards. However, lead dust can be reintroduced into an abated area.

- Use a HEPA vacuum on all furniture and other items returned to the area, to reduce the potential for reintroducing lead dust.
- Regularly clean floors, window sills, troughs, and other hard surfaces with a damp cloth or sponge and a general all-purpose cleaner.

Please see page 9 for more information on steps you can take to protect your home after the abatement. For help in locating certified lead abatement professionals in your area, call your state or local agency (see pages 15 and 16), epa.gov/lead, or call 1-800-424-LEAD.

Renovating, Repairing or Painting a Home with Lead-Based Paint

If you hire a contractor to conduct renovation, repair, or painting (RRP) projects in your pre-1978 home or childcare facility (such as pre-school and kindergarten), your contractor must:

- Be a Lead-Safe Certified firm approved by EPA or an EPA-authorized state program
- Use qualified trained individuals (Lead-Safe Certified renovators) who follow specific lead-safe work practices to prevent lead contamination
- Provide a copy of EPA's lead hazard information document, *The Lead-Safe Certified Guide to Renovate Right*

RRP contractors working in pre-1978 homes and childcare facilities must follow lead-safe work practices that:

- **Contain the work area.** The area must be contained so that dust and debris do not escape from the work area. Warning signs must be put up, and plastic or other impermeable material and tape must be used.
- **Avoid renovation methods that generate large amounts of lead-contaminated dust.** Some methods generate so much lead-contaminated dust that their use is prohibited. They are:
 - Open-flame burning or torching
 - Sanding, grinding, planing, needle gunning, or blasting with power tools and equipment not equipped with a shroud and HEPA vacuum attachment
 - Using a heat gun at temperatures greater than 1100°F
- **Clean up thoroughly.** The work area should be cleaned up daily. When all the work is done, the area must be cleaned up using special cleaning methods.
- **Dispose of waste properly.** Collect and seal waste in a heavy duty bag or sheeting. When transported, ensure that waste is contained to prevent release of dust and debris.

To learn more about EPA's requirements for RRP projects, visit epa.gov/getleadsafe, or read *The Lead-Safe Certified Guide to Renovate Right*.

Other Sources of Lead

Lead in Drinking Water

The most common sources of lead in drinking water are lead pipes, faucets, and fixtures.

Lead pipes are more likely to be found in older cities and homes built before 1986.

You can't smell or taste lead in drinking water.

To find out for certain if you have lead in drinking water, have your water tested.

Remember older homes with a private well can also have plumbing materials that contain lead.

Important Steps You Can Take to Reduce Lead in Drinking Water

- Use only cold water for drinking, cooking and making baby formula. Remember, boiling water does not remove lead from water.
- Before drinking, flush your home's pipes by running the tap, taking a shower, doing laundry, or doing a load of dishes.
- Regularly clean your faucet's screen (also known as an aerator).
- If you use a filter certified to remove lead, don't forget to read the directions to learn when to change the cartridge. Using a filter after it has expired can make it less effective at removing lead.

Contact your water company to determine if the pipe that connects your home to the water main (called a service line) is made from lead. Your area's water company can also provide information about the lead levels in your system's drinking water.

For more information about lead in drinking water, please contact EPA's Safe Drinking Water Hotline at 1-800-426-4791. If you have other questions about lead poisoning prevention, call 1-800 424-LEAD.*

Call your local health department or water company to find out about testing your water, or visit epa.gov/safewater for EPA's lead in drinking water information. Some states or utilities offer programs to pay for water testing for residents. Contact your state or local water company to learn more.

Other Sources of Lead, continued

• **Lead smelters** or other industries that release lead into the air.

• **Your job.** If you work with lead, you could bring it home on your body or clothes. Shower and change clothes before coming home. Launder your work clothes separately from the rest of your family's clothes.

• **Hobbies** that use lead, such as making pottery or stained glass, or refinishing furniture. Call your local health department for information about hobbies that may use lead.

• Old **toys** and **furniture** may have been painted with lead-containing paint. Older toys and other children's products may have parts that contain lead.⁴

• Food and liquids cooked or stored in **lead crystal** or **lead-glazed pottery or porcelain** may contain lead.

• Folk remedies, such as "**greta**" and "**azarcon**," used to treat an upset stomach.

⁴ In 1978, the federal government banned toys, other children's products, and furniture with lead-containing paint. In 2008, the federal government banned lead in most children's products. The federal government currently bans lead in excess of 100 ppm by weight in most children's products.

IMPORTANT!

Lead From Paint, Dust, and Soil in and Around Your Home Can Be Dangerous if Not Managed Properly

- Children under 6 years old are most at risk for lead poisoning in your home.
- Lead exposure can harm young children and babies even before they are born.
- Homes, schools, and child care facilities built before 1978 are likely to contain lead-based paint.
- Even children who seem healthy may have dangerous levels of lead in their bodies.
- Disturbing surfaces with lead-based paint or removing lead-based paint improperly can increase the danger to your family.
- People can get lead into their bodies by breathing or swallowing lead dust, or by eating soil or paint chips containing lead.
- People have many options for reducing lead hazards. Generally, lead-based paint that is in good condition is not a hazard (see page 10).

Disclosure of Information on Lead-Based Paint and/or Lead-Based Paint Hazards

This Addendum constitutes an Addendum to the above described Lease Contract for the above described premises, and is hereby incorporated into and made a part of such Lease Contract. Where the terms or conditions found in this Addendum vary or contradict any terms or conditions found in the Lease Contract, this Addendum shall control.

3. ABOUT MOLD. Mold is found virtually everywhere in our environment--both indoors and outdoors and in both new and old structures. Molds are naturally occurring microscopic organisms which reproduce by spores and have existed practically from the beginning of time. All of us have lived with mold spores all our lives. Without molds we would all be struggling with large amounts of dead organic matter.

Mold breaks down organic matter in the environment and uses the end product for its food. Mold spores (like plant pollen) spread through the air and are commonly transported by shoes, clothing and other materials. When excess moisture is present inside a dwelling, mold can grow. A 2004 Federal Centers for Disease Control and Prevention study found that there is currently no scientific evidence that the accumulation of mold causes any significant health risks for person with normally functioning immune systems. Nonetheless, appropriate precautions need to be taken.

4. PREVENTING MOLD BEGINS WITH YOU. In order to minimize the potential for mold growth in your dwelling, you must do the following:

- Keep your dwelling clean—particularly the kitchen, the bathroom(s), carpets and floors. Regular vacuuming, mopping and using a household cleaner to clean hard surfaces is important to remove the household dirt and debris that harbor mold or food for mold. Immediately throw away moldy food.
- Remove visible moisture accumulation on windows, walls, ceilings, floors and other surfaces as soon as reasonably possible. Look for leaks in washing machine hoses and discharge lines—especially if the leak is large enough for water to infiltrate nearby walls. Turn on any exhaust fans in the bathroom and kitchen *before* you start showering or cooking with open pots. When showering, be sure to keep the shower curtain *inside* the tub or fully close the shower doors. Also, the experts recommend that after taking a shower or bath, you: (1) wipe moisture off of shower walls, shower doors, the bathtub and the bathroom floor; (2) leave the bathroom door open until all moisture on the mirrors and bathroom walls and tile surfaces has dissipated; and (3) hang up your towels and bath mats so they will completely dry out.
- Promptly notify us in writing about any air conditioning or heating system problems you discover, including non-functioning fans or other ventilation systems. Follow our rules, if any, regarding replacement of air filters. Also, it is recommended that you periodically open windows and doors on days when the outdoor weather is dry (i.e., humidity is below 50 percent) to help humid areas of your dwelling dry out.
- Promptly notify us in writing about any signs of water leaks, water infiltration or mold. We will respond in accordance with state law and the Lease Contract to repair or remedy the situation, as necessary.
- Keep the thermostat set to automatically circulate air in the event temperatures rise to or above 80 degrees Fahrenheit.

5. IN ORDER TO AVOID MOLD GROWTH, it is important to prevent excessive moisture buildup in your dwelling. Failure to promptly pay attention to leaks and moisture that might accumulate on dwelling surfaces or that might get inside walls or ceilings can encourage mold growth. Prolonged moisture can result from a wide variety of sources, such as:

- rainwater leaking from roofs, windows, doors and outside walls, as well as flood waters rising above floor level;

- overflows from showers, bathtubs, toilets, lavatories, sinks, washing machines, dehumidifiers, refrigerator or A/C drip pans or clogged up A/C condensation lines;
- leaks from plumbing lines or fixtures, and leaks into walls from bad or missing grouting/caulking around showers, tubs or sinks;
- washing machine hose leaks, plant watering overflows, pet urine, cooking spills, beverage spills and steam from excessive open-pot cooking;
- leaks from clothes dryer discharge vents (which can put lots of moisture into the air); and
- insufficient drying of carpets, carpet pads, shower walls and bathroom floors.

6. IF SMALL AREAS OF MOLD HAVE ALREADY OCCURRED ON *NON-POROUS* SURFACES (such as ceramic tile, formica, vinyl flooring, metal, wood or plastic), the federal Environmental Protection Agency (EPA) recommends that you first clean the areas with soap (or detergent) and water, let the surface dry, and then within 24 hours apply a pre-mixed, spray-on-type household biocide, such as Lysol Disinfectant®, Pine-Sol Disinfectant® (original pine-scented), Tilex Mildew Remover® or Clorox Cleanup®. (Note: Only a few of the common household cleaners will actually kill mold). Tilex® and Clorox® contain bleach which can discolor or stain. Be sure to follow the instructions on the container. Applying biocides without first cleaning away the dirt and oils from the surface is like painting over old paint without first cleaning and preparing the surface.

Always clean and apply a biocide to an area 5 or 6 times larger than any visible mold because mold may be adjacent in quantities not yet visible to the naked eye. A vacuum cleaner with a high-efficiency particulate air (HEPA) filter can be used to help remove non-visible mold products from *porous* items, such as fibers in sofas, chairs, drapes and carpets—provided the fibers are completely dry. Machine washing or dry cleaning will remove mold from clothes.

7. DO NOT CLEAN OR APPLY BIOCIDES TO: (1) visible mold on porous surfaces, such as sheetrock walls or ceilings, or (2) large areas of visible mold on non-porous surfaces. Instead, notify us in writing, and we will take appropriate action.

8. COMPLIANCE. Complying with this addendum will help prevent mold growth in your dwelling, and both you and we will be able to respond correctly if problems develop that could lead to mold growth. If you have questions regarding this addendum, please contact us at the management office or at the phone number shown in your Lease Contract.

If you fail to comply with this Addendum, you can be held responsible for property damage to the dwelling and any health problems that may result. We can't fix problems in your dwelling unless we know about them.

New Recycling and Composting Program

Beginning January 1, 2022 (unless your local government sought an extension for implementation purposes), California Mandatory Commercial Recycling Law and Mandatory Commercial Organics Recycling Law (SB 1383) requires businesses within your city and/or county meet certain thresholds to separate recyclables from garbage and to separate organics from garbage. To comply with the new laws and to help the meet its goals and to be in compliance with the Mandatory Recycling and Composting laws, we are implementing a new recycling and composting program.

Our building typically generates approximately 60% recyclable paper, bottles and cans, 30% compostables and only 5-10% materials that actually belong in the garbage. Our goal is to make recycling and composting easy for you and increase the amount we divert from the landfill. Recycling more helps our environment by reducing energy use and pollution, and conserving natural resources.

Here is how the program will work:

Central Collection:

Containers for the collection of trash, recyclables and compostables are located in the _____, and other central areas.

Please keep your materials separate; see details below about what goes in each container. The three containers will be emptied: weekly or daily or other _____.

What Goes in Each Container?

Recyclables

All clean office paper, glass bottles and jars, aluminum foil and cans, steel/tin cans, and almost all plastics (no soft plastics like bags and wrappers) belong in the blue containers. Please empty food or liquid from recyclables before depositing in blue recycling container.

All recyclable material is sent to a material recovery facility for sorting into separate commodities, which are then sold to recyclers and made into other products.

Compostables

Most of the material that used to go in the trash, can now be composted including paper take-out containers, paper coffee cups, used napkins, used tissues, used paper towels, milk cartons, left-over food, and compostable plastics. Remember composting is not just for food scraps but also for soiled paper and paper food packaging- think coffee cups, napkins, and to-go boxes!

All compostable material is sent to a _____ [composting facility] where it is turned into compost, a nutrient for local, organic agriculture.

Garbage

Very few items actually belong in the trash. These include: **Styrofoam, candy or chip wrappers, plastic wrap, plastic bags, and aseptic packaging (juice boxes/Tetrapaks).**

Any material put in the garbage will be sent to landfill.

BUILDING RECYCLING PROCEDURES

This building has established the above procedures for handling designated trash, recyclables and compostables that apply to all residents, housekeepers, guests, subtenants, homecare workers, and other visitors:

We understand the following:

We have been given information about designated recyclable and compostable materials that must be kept separate from my trash.

We know the location of the building's recycling and composting area(s) and the procedures for discarding designated recyclables and compostables.

We understand that recycling and composting requirements apply to all residents, housekeepers, guests, subtenants, homecare workers, and other visitors.

We have received the annual education on how to properly sort organic waste into the correct bins.

LEASE CONTRACT BUY-OUT AGREEMENT

1. DWELLING UNIT DESCRIPTION.

Unit No. 256,
5050 Garford St. # 256

(street address) in
Long Beach
(city), California, 90815 (zip code).

2. LEASE CONTRACT DESCRIPTION.

Lease Contract Date: November 20, 2023

Owner's name: Shapell SoCal Rental Properties, LLC a Delaware limited liability company

Residents (*list all residents*):

Achyuth Sambaraju, Srikanth Vooradi, Mahesh Babu Pamulapati, Jaganath Selvan, SaiTarun Gundapaneni

3. PURPOSE OF AGREEMENT. We trust you will remain in good standing through the term of the Lease Contract. If you are not in good standing anytime during the Lease Contract, you are responsible for all rents and charges through the balance term of the Lease Contract less any mitigation. Be advised, the amount owed varies for each particular set of facts. In an attempt to resolve all rents and charges through the balance term of the lease, you may choose to terminate the Lease Contract early. If we agree upon a buyout amount and accepted by each party, you are no longer responsible for rent charges after the early termination (you must vacate timely). Moreover, we can market and re-rent the apartment to another prospective resident.

The purpose of this Buy-Out Agreement is to give you the right to buy out of your Lease Contract early—subject to any special provisions in paragraph 10 below. In order to buy out early, your notice must be signed by all residents listed in paragraph 1 of the Lease Contract and all residents must comply with all provisions of this Buy-Out Agreement.

4. You agree that you are voluntarily electing to exercise the buy-out option offered in this Agreement.

5. BUY-OUT PROCEDURES. You may buy out of the Lease Contract prior to the end of the lease term and cut off all liability for paying rent **beyond the new termination date** if all of the following occur:

- (a) you give us written notice of buy-out at least 30 days prior to the new termination date (i.e., your new move-out date), which (check one) must be the last day of a month or may be during a month;
- (b) you specify the new termination date in the notice, i.e., the date by which you'll move out;
- (c) you are not in default under the Lease Contract on the date you give us the notice of buy-out;
- (d) you are not in default under the Lease Contract on the new termination date (move-out date);
- (e) you move out on or before the new termination date and do not hold over;
- (f) you pay us a buy-out fee (consideration) of \$ 2500.00 (this buy-out fee does not cover any of the rent owed through the new termination date);
- (g) resident agrees that buy-out fee listed above does not include rent due during the 30 day notice period. Rent is separate and must be paid timely, or the Buy Out option will be null and void;
- (h) you pay us the amount of any concessions you received when signing the Lease Contract; and
- (i) you comply with any special provisions in paragraph 10 below.

6. WHEN PAYABLE. The buy-out fee in paragraph 5(f) is due and payable no later than 30 days after you give us your buy-out notice. The total dollar amount of any concessions regarding rent or other monetary lease obligations for the entire lease term is \$ 0.00 and is due payable on the same day as the buy-out fee, subject to any special provisions in paragraph 10 regarding the amount, calculation method, or payment date.

7. SHOWING UNIT TO PROSPECTIVE RESIDENTS. After you give us notice of buy-out, the Lease Contract gives us the right to begin showing your unit to prospective residents and telling them it will be available immediately after your new termination date.

8. COMPLIANCE ESSENTIAL. Our deposit of all amounts due under paragraphs 5(f) and 5(g) constitutes our approval of the new termination date stated in your notice of buy-out. If you fail to comply with any of the procedures or requirements in this agreement after we deposit such monies, your buy-out right and this agreement will be voided automatically; and (1) any amounts you have paid under this agreement will become part of your security deposit, and (2) the lease will continue

without buy-out. Then, if you move out early, you are subject to all lease remedies, including reletting fees and liability for all rents for the remainder of the original lease term.

9. MISCELLANEOUS. If moving out by the new termination date becomes a problem for you, contact us. An extension may be possible if we have not already relet the dwelling unit to a successor resident. We and any successor residents who may be leasing your unit will be relying on your moving out on or before the new termination date. Therefore, you may not hold over beyond such date without our written consent—even if it means you have to make plans for temporary lodging elsewhere. “Default” as used in paragraphs 5(c) and 5(d) of this agreement means default as defined in the Lease Contract. You will continue to be liable for any damages and any sums accruing and unpaid prior to the new termination date.

10. SPECIAL PROVISIONS. Your right of buy-out (*check one*) is or is not limited to a particular fact situation. If limited, buy-out may be exercised only if the following facts (see below) occur and any described documents are furnished to us. Any special provisions below will supersede any conflicting provision of this printed agreement. Any false statements or documents presented to us regarding buy-out will automatically void your right to buy-out of the Lease Contract. The special provisions are:

Apartments and Other Residential Rental Properties

Why am I being warned about potential exposure to chemicals in apartments and other residential rental properties?

- Some chemicals that may be found in apartments and other residential rental properties are on the [Proposition 65](#) list because they can cause cancer and/or birth defects or other reproductive harm.
- Proposition 65 requires businesses to determine if they must provide a warning about exposures to [listed chemicals](#).

Apartments and other residential rental properties can expose you to chemicals on the Proposition 65 list. These properties include rental apartments, condominiums, and houses.

APARTMENTS AND OTHER RESIDENTIAL RENTAL PROPERTIES

- It is difficult to generalize about chemical exposures in apartments and other residential rental properties, because each one is different. Many do not cause chemical exposures and do not require Proposition 65 warnings.
- When you rent an apartment or other residential property, you may see a Proposition 65 warning in your rental agreement, or in a letter or e-mail, and you may receive one annually from your building owner or manager.
- If a warning is provided, it should state the names of one or more chemicals on the premises, and identify how or where you might be exposed to these chemicals.

Examples of Proposition 65-listed chemicals you may be exposed to in apartments and other residential rental properties include:

- [Formaldehyde](#) in some building materials, including some insulation, composite-wood cabinetry, and wall and flooring materials.
- [Carbon monoxide](#) from any fireplaces or unvented gas space heaters.
- [Lead](#) from pre-1997 vinyl imported mini-blinds, or plumbing materials or paint chips in older buildings.
- [Asbestos](#) in ceiling materials, if disturbed, in older buildings.
- Some [pesticides](#) that are on the Proposition 65 list, for indoor or outdoor use.

- Other chemical exposures that can occur at apartments or other residential rental properties include:
 - ▶ Carbon monoxide and motor vehicle exhaust in [enclosed parking structures](#).
 - ▶ Tobacco smoke and nicotine in [designated smoking areas](#).
- During pregnancy, some of these Proposition 65-listed chemicals can pass from mother to baby.

How can I reduce my potential exposure to these chemicals in apartments and other residential rental properties?

- ✓ Ask your building owner or manager if you have questions about any Proposition 65 warning you receive. Ask about exposures to any other Proposition 65 chemicals on the premises that may not be named in the warning.
- ✓ Where possible, choose apartments or other residential rental properties that are smoke-free and nicotine-free. Avoid spending time in designated smoking areas on the premises.
- ✓ When you use enclosed parking facilities, stay no longer than necessary.
- ✓ To help reduce your exposure to some Proposition 65-listed chemicals:
 - ▶ Wash your hands and your child's hands frequently, especially before eating.
 - ▶ Clean floors regularly, using a wet mop, and a vacuum cleaner with a high-efficiency particulate air (HEPA) filter, if possible.
 - ▶ Wipe up dust regularly, using a damp cloth.

4. DAMAGED, LOST OR UNRETURNED REMOTE CONTROLS, CARDS OR CODE CHANGES.

7. PERSONAL INJURY AND/OR PERSONAL PROPERTY DAMAGE. Except as specifically required by law, we have no duty to maintain the gates and cannot guaranty against gate malfunctions. We make no representations or guarantees to you concerning security of the community. Any measures, devices, or activities taken by us are solely for the benefit of us and for the protection of our property and interests, and any benefit to you of the same is purely incidental. Anything mechanical or electronic is subject to malfunction. Fencing, gates or other devices will not prevent all crime. No security system or device is foolproof or 100 percent successful in deterring crime. Crime can still occur.

Protecting residents, their families, occupants, guests and invitees from crime is the sole responsibility of residents, occupants and law enforcement agencies. You should first call 911 or other appropriate emergency police numbers if a crime occurs or is suspected. We are not liable to any resident, family member, guest, occupant or invitee for personal injury, death or damage/loss of personal property from incidents related to perimeter fencing, automobile access gates and/or pedestrian access gates. We reserve the right to modify or eliminate security systems other than those statutorily required. You will be held responsible for the actions of any persons to whom you provide access to the community.

 - If you lose your card, please contact the management office immediately.
 - Do not give your card or code to anyone else.

LEASE CONTRACT ADDENDUM FOR SATELLITE DISH OR ANTENNA

Under a Federal Communications Commission (FCC) order, you as our resident have a right to install a transmitting or receiving satellite dish or antenna on the leased dwelling, subject to FCC limitations. We as a rental housing owner are allowed to impose reasonable restrictions relating to such installation. You are required to comply with these restrictions as a condition of installing such equipment. This addendum contains the restrictions that you and we agree to follow.

Unit No. 256

2. LEASE CONTRACT DESCRIPTION.

Lease Contract date: November 20, 2023
Owner's name: Shapell SoCal Rental Properties, LLC a Delaware limited liability company

Residents (*list all residents*):

Achyuth Sambaraju, Srikanth Vooradi, Mahesh Babu Pamulapati, Jaganath Selvan, SaiTarun Gundapaneni

This Addendum constitutes an Addendum to the above described Lease Contract for the above described premises, and is hereby incorporated into and made a part of such Lease Contract. Where the terms or conditions found in this Addendum vary or contradict any terms or conditions found in the Lease Contract, this Addendum shall control.

3. NUMBER AND SIZE. You may install 1 satellite dish(es) or antenna(s) on the leased premises. A satellite dish may not exceed one meter (3.3 feet) in diameter. Antennas that only transmit signals or that are not covered by 47 CFR § 1.4000 are prohibited.

4. LOCATION. Your satellite dish or antenna must be located: (1) inside your dwelling; or (2) in an area outside your dwelling such as a balcony, patio, yard, etc. of which you have exclusive use under your lease. Installation is not permitted on any parking area, roof, exterior wall, window, window sill, fence or common area, or in an area that other residents are allowed to use. A satellite dish or antenna may not protrude beyond the vertical and horizontal space that is leased to you for your exclusive use. Please be aware that the available installation locations may not provide the optimum signal. We are not obligated to provide a location to install your dish or antenna for an optimal signal.

5. SAFETY AND NON-INTERFERENCE. Your installation: (1) must comply with all applicable ordinances and laws and all reasonable safety standards; (2) may not interfere with our cable, telephone or electrical systems or those of neighboring properties; (3) may not be connected to our telecommunication systems; and (4) may not be connected to our electrical system except by plugging into a 110-volt duplex receptacle. If the satellite dish or antenna is placed in a permitted outside area, it must be safely secured by one of three methods: (1) securely attaching it to a portable, heavy object such as a small slab of concrete; (2) clamping it to a part of the building's exterior that lies within your leased premises (such as a balcony or patio railing); or (3) any other method approved by us in writing. No other methods are allowed. We may require reasonable screening of the satellite dish or antenna by plants, etc., so long as it does not impair reception.

6. SIGNAL TRANSMISSION FROM EXTERIOR DISH OR ANTENNA TO INTERIOR OF DWELLING. You may not damage or alter the leased premises and may not drill holes through outside walls, door jams, window sills, etc. If your satellite dish or antenna is installed outside your dwelling (on a balcony, patio, etc.), the signals received by it may be transmitted to the interior of your dwelling only by the following methods: (1) running a "flat" cable under a door jam or window sill in a manner that does not physically alter the premises and does not interfere with proper operation of the door or window; (2) running a traditional or flat cable through a pre-existing hole in the wall (that will not need to be enlarged to accommodate the cable); (3) connecting cables "through a window pane," similar to how an external car antenna for a cellular phone can be connected to inside wiring by a device glued to either side of the window--without drilling a hole through the window; (4) wireless transmission of the signal from the satellite dish or antenna to a device inside the dwelling; or (5) any other method approved by us in writing.

7. SAFETY IN INSTALLATION. In order to assure safety, the strength and type of materials used for installation must be approved by us. Installation must be done by a qualified person or company approved by us. A qualified installer will possess adequate public liability and worker's compensation insurance, and the installation must conform to all applicable state and local laws, with required permits. Our approval will not be unreasonably withheld. An installer provided by the seller of the satellite dish or antenna is presumed to be qualified.

8. MAINTENANCE. You will have the sole responsibility for maintaining your satellite dish, antenna and all related equipment. We may temporarily remove and reinstall your dish, antenna, or equipment if necessary to conduct necessary or agreed upon repairs or services to the dwelling.

9. REMOVAL AND DAMAGES. You must remove the satellite dish or antenna and all related equipment when you move out of the dwelling. In accordance with the Lease Contract, you must pay for any damages and for the cost of repairs or repainting caused by negligence, carelessness, accident or abuse which may be reasonably necessary to restore the leased premises to its condition prior to the installation of your satellite dish, antenna or related equipment. You will not be responsible for normal wear.

10. LIABILITY INSURANCE. You must take full responsibility for the satellite dish, antenna and related equipment. If the dish or antenna is installed at a height that could result in injury to others if it becomes unattached and falls, you must provide us with evidence of liability insurance (if available) to protect us against claims of personal injury and property damage to others, related to your satellite dish, antenna and related equipment. The insurance coverage must be \$ _____, which is an amount reasonably determined by us to accomplish that purpose. Factors affecting the amount of insurance include height of installation above ground level, potential wind velocities, risk of the dish/antenna becoming unattached and falling on someone, etc.

11. SECURITY DEPOSIT. An additional security deposit of \$ 0.00 will be charged. We (*check one*) will consider or will not consider this additional security deposit a general security deposit for all purposes. The security deposit amount in the Security Deposit paragraph of the Lease Contract (*check one*) does or does not include this additional deposit amount. Refund of the additional security deposit will be subject to the terms and conditions set forth in the Lease Contract regardless of whether it is considered part of the general security deposit.

This additional security deposit is required to help protect us against possible repair costs, damages, or failure to remove the satellite dish, antenna and related equipment at time of move-out. Factors affecting any security deposit may vary, depending

on: (1) how the dish or antenna is attached (nails, screws, lag bolts drilled into walls); (2) whether holes were permitted to be drilled through walls for the cable between the satellite dish and the TV; and (3) the difficulty and cost repair or restoration after removal, etc.

12. WHEN YOU MAY BEGIN INSTALLATION. You may start installation of your satellite dish, antenna or related equipment only after you have: (1) signed this addendum; (2) provided us with written evidence of the liability insurance referred to in paragraph 10 of this addendum; (3) paid us the additional security deposit, if applicable, in paragraph 11; and (4) received our written approval of the installation materials and the person or company that will do the installation, which approval may not be unreasonably withheld.

13. MISCELLANEOUS. If additional satellite dishes or antennas are desired, an additional lease addendum must be executed.

14. SPECIAL PROVISIONS. The following special provisions control over conflicting provisions of this printed form:

Insurance coverage must be included on Renters Insurance policy.

3. PURPOSE OF ADDENDUM. This Addendum will provide requirements and guidelines that are beneficial to improve the quality of the Community's social, environmental, and economic impact for all. All Residents are required to sign this Addendum.

4. ENERGY EFFICIENCY. The following are guidelines recommended to reduce overall energy consumption and reduce electricity/gas expenses.

Thermostat Settings. During the winter months, Energy.gov (<https://www.energy.gov/>) recommends setting your thermostat to 68°F while you are awake and setting it lower while you are asleep or away from home. Considerations should be made for extremely cold temperatures as to avoid freezing pipes.

During the summer months, with central air conditioning, Energy.gov recommends setting the thermostat to 78°F while you are occupying the apartment and need cooling and setting the thermostat higher while you are away. Energy.gov recommends that you set your thermostat at as high a temperature as comfortably possible and ensure humidity control if needed.

Please note that the thermostat settings listed above are only recommended guidelines and that the appropriate thermostat setting will depend upon weather conditions and the size and layout of your unit.

Lighting and Light Bulbs. Use natural light when possible. Consider replacing standard incandescent light bulbs with energy-saving compact fluorescent light bulbs (CFLs) or light-emitting diodes (LEDs).

Appliances. We strongly encourage the use of appliances that have the ENERGY STAR label or other energy-efficient labeling.

Conserve Electricity. Consider unplugging chargers for power tools, mobile phones, laptops, televisions, and other electronic devices when not in use, or when you plan to be away from the apartment for an extended period of time.

5. WATER EFFICIENCY – REQUIREMENTS AND SUGGESTIONS. The following requirements and suggestions will help reduce overall water consumption at the Community.

Requirements.

- Residents are required to report leaks to owner immediately to prevent damage, conserve water, and manage water/sewer costs.
- The apartment may come equipped with water saving fixtures and appliances, including, but not limited to, showerheads, toilets, faucets, dishwashers, and washing machines. Residents are required to receive written approval from us prior to replacing or altering any of these fixtures/appliances.

Suggestions.

- Every drop counts! Turn off water when shaving, washing hands, and brushing your teeth.
- When doing laundry, also consider only washing full loads. When washing small loads, be sure to use the appropriate water level setting.

6. WASTE AND RECYCLING – REQUIREMENTS AND SUGGESTIONS. The following requirements and suggestions will help reduce overall waste consumption and reduce waste expenses.

Requirements.

- All Residents are required to dispose of waste and recyclables in the appropriate containers in accordance with the Owner's Rules and Regulations, in addition to any applicable local ordinances.
